

Just as the housewife regularly must care for the furniture of her home, so the business manager must care for the credit of his company. In accumulating credit, so human nature regularly must deal of their credit with the object of increasing their creditworthiness. Otherwise, their life purpose is destroyed.

A Really Attractive Early American Home

is just being finished on Westwood Drive one block west of West Maple Road in the Quinlan School District. We know you'll like a lot of things about it: The dining room, perhaps, with its English built stone hood and the pine wainscoting; the cozy library decorated in the attractive new wall paper; and just about of classic style and at a very reasonable price. Open for \$40,000, call 2480.

A Little House in the Hills
