

ST. MARYS FIVE TRIPS MAPLES

Baldwin Cagers Suffer First Defeat Of Season, 23 to 13

Baldwin High School's basketball quintet lost its first game of the season Friday when the Maples defeated to Graham takes to meet a group St. Mary's five, and came out on the small end of a 23 to 13 score. Both teams went on the floor with six victories and no defeats.

WYANDOTTE NEXT ON MAPLES CARD

The second in a series of three away from home games on the Baldwin High School basketball schedule will be played Friday night at Wyandotte High School.

Last year the Maple varsity won over Wyandotte in one of the roughest games in Baldwin's basketball history. The teams will also be away the following Friday when they will be entertained by Groese Point.

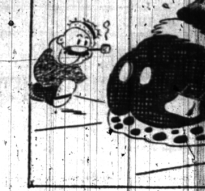

Grayscale again led the attack in the last period, scoring two field goals and two foul throws. The game line selected between the second halves of the two schools was cancelled.

You Can Bake Broil-Fry-Stew

all ELECTRICALLY with this special cooking combination!

"Surely you exclaim, 'one needs an electric range to do so many different things'... Not at all. This special combination, consisting of a Kitchenette, Grill, Nesco Portable Oven, and Electric Casserole, permits you to do ANYTHING (on a smaller scale) that you can do on an electric range. Best of all it brings you added hours of freedom; you can go out for the afternoon while your evening meal is cooking. When you come home it's waiting to be served—hot and appetizing and ready for the table. Its flavor, we promise you, will surpass in deliciousness anything you have ever tasted... unless you have already enjoyed electric cooking!"

Stormy, windy days... cold, damp winds... wet feet... germ-laden crowds... possible accidents... a telephone in your home will help you avoid them.

As a protection against such dangers, a telephone is invaluable. With it, you can call the laundry, cleaner, store and market, and run innumerable errands. Friends and relatives can be reached easily. All without leaving the comfort and protection of your home.

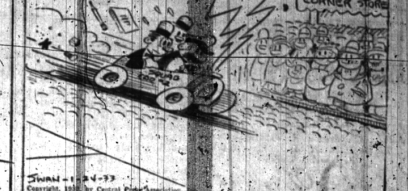

And should emergency arise, you can summon aid instantly, day or night by telephone.

Reliable electrical appliances are sold by Hardware Stores, Department Stores, and Electrical Dealers.
