FINAL WEEK IN 'Y' SOFTBALL

Semi-Finals Start July 31; Fintex-Fellowship A Sure Winner

One more week of regular play remains in the Y. M. C. A. softball league schedule before the championship series will start. Irwin H. Neff, director of the league, has set Monday, July 31 as the date on which the first games of the semi-final round will be played. Teams finishing in first and fourth place will clash in this series and those in second and third positions will meet. The semi-final round will be a two-out-of-three games series, with games played Monday, Tuesday, and Thursday nights. The winners in the semi-final round will meet the following Monday in the first of a three-out-of-five game series to determine the league champion.

Playing off the remainder of the league schedule is merely a matter of form, as the teams in first, second, and third positions have already established themselves well enough in their respective positions to assure their appearance there when the season ends. Fourth place appears to be the only questionable position.

Fintex-Fellowship has the top position cinched. Varsity No. 1 again is ahead of Van's Pharmacy in this week's averages and unless Van's defeats the Varsity squad next Tuesday, a feat that they have been unable to do in former encounters, the Drug men will end in third position. First Precinct, now holding fourth place by a two-game lead over Varsity No. 2, will have to win three out of its four remaining games to place in fourth position.

The Fintex nine came closest to being beaten this season on Monday by Van's. Although shut out in both the first, second, and fourth innings, the Drugmen scored one run in the third and two in both the fifth and seventh, making the final count 6 to 5. In Monday's other flits the Theater easily won from Eastern Michigan, 15 to 5, and the Varsity No. 1 outfit won from the Church nine, 10 to 4.

In the only game played last Thursday the Varsity No. 2 squad downed the Theater, 25 to 13.

All but one of Tuesday's games were called off because of wet grounds. The leading Fintex nine fooled its way through to a 19 to 16 win over Varsity 2. Numerous errors marred the usual stellar playing of the league leaders and Whalen on the mound for Fintex, walked 12 men. The other games scheduled for Tuesday have been postponed until July 27, a week from today.

Took Her Word For It

"May I ask if you have anything about you by which you can be identified?" the clerk asked of a new lady customer who offered a check.

She faltered, blushed and replied, "Well, I er, have a mole on my left knee."

The clerk took her check.

Merchants Again In Good Form After Losses; Win Comes In Later Innings

WIN OVER BERKLEY MAY BEGIN STREAK

By DEAN BEIER

The Birmingham Merchants got started on what may prove to be another winning streak Sunday afternoon when they defeated the Berkley Merchants, 12 to 7, on the East Maple avenue diamond.

The Birmingham nine again appeared in top form, after slumping badly in its last three games. The Merchants had won six straight when the Big Beaver team beat them on the Fourth. They lost both games in a double-header with the Michigan Giants two weeks ago.

The fielding that has been sadly missing in the last few games again began to click behind Pitcher George O'Toole and although he allowed Berkley 15 hits the performance of the infield held the run total down.

DeWalt led the Birmingham scorers with four counters. Henderson and O'Toole added their share to the batting of the Merchants with three hits apiece in four trips to the plate.

In the early innings of the game a Berkley victory seemed unavoidable. With a seven-to-one count against them when they went up to bat in the fourth the Birmingham men nabbed five counters in this inning and forced the Berkley team to go scoreless for the rest of the game while they were scoring two in the fifth, one in the sixth, and three in the eighth.

The teams lined up as follows:

Getting On Well

Jones: "Well, how are you getting on in your new eight-roomed house?"

Smith: "Oh, not so badly. We furnished one of the bedrooms by collecting soap coupons."

Jones: "Didn't you furnish the other seven rooms?"

Smith: "We can't. They're full of soap."—Art of Living.

Secret of Leadership

"Have you brought many people to your way of thinking?"

"No," answered the politician. "Public opinion is something like a mule. I owned when I was a boy. In order to keep up the appearance of being driver I had to watch which way he was going and follow on behind."—Washington Star.

ROYAL OAK FIREMEN NEXT FOR MERCHANTS

The Royal Oak Firemen, one of the best ball teams in Oakland County, is slated as the next foe of the Birmingham Merchants.

The Birmingham nine will meet the Firemen at the East Maple avenue diamond near the Grand Trunk Western Railway station, Sunday afternoon. Proceeds of the game will be turned over to the Veterans of Foreign Wars.

received huge salaries prior to 1933, and the salaries of 32 officers last year equaled $498,761—exceeding the $350,000 paid to stockholders in that year. Six high officials were paid as high as 60 per cent of the total paid to stockholders.

"The Guardian boosted its deposits account by $7,000,000 by including an outstanding check as a deposit—in an effort to make it appear to depositors that the bank was in better condition than it really was."

PRESIDENT'S STIPEND

J. Arthur House, who was president of the now defunct Guardian Trust of Cleveland, not only drew out $477,517.06 in salary and bonuses in five years, but borrowed (and did not repay) $181,125 from his own bank. Security for the loans now is worth only $28,077.

House was in charge of designating bonuses.

All that was brought out in sworn testimony.

Whereupon the Ohio state senate investigating committee decided to call House for questioning.

COSTLY PROMOTIONS

The Van Sweringen real estate and railroad promotions have been costly to Cleveland.

For example, O. P. and M. J. Van Sweringen personally owe the defunct Guardian bank more than $3,900,000. Interest of $76,666 already has been charged off.

Interests of Cyrus S. Eaton, industrial promoter, owe more than $4,000,000.

"Algy hugged me at the ball game."

"Eh?"

"He got excited."

That's all very well," sniffed the other girl. "But I don't hafta go to a ball game to get a hug."—Louisville Courier-Journal.

HERE'S MORE OF

EVERYTHING YOU WANT IN TIRES!

More Safety in the tread

The safest tread is the one that can stop your car the quickest. Goodyears stop quicker than any other tire. 10% quicker than the second best. Up to 77% quicker than others. Tests on wet pavements prove it. Why not buy the safest tire?

More Safety in the plies

Goodyears give you safety in every ply—because every ply is built with patented Supertwist cord—and every ply runs from head to bead. Ask to see a Supertwist demonstration and see for yourself why it means more safety in every ply.

PRICES

you may never see again!

Everything's going up in price. Here are the almost relatively low prices at which you can still buy Goodyear Tires today.
