Robert Surrey Clothes

These trousers have always been accorded fashionable fame for country clothes and sports wear. But with the recent trend toward rougher fabrics, their usefulness is more extended. This fabric looks heavy enough to wear in the coldest months, yet is woven in such a way that it remains open in weave and feels light. Recently a Domestic Harris Tweed has been developed that offers all the luxurious quality that has formerly been exclusively identified with imported fabrics.

In the University, including Man, Evolution of the Human Form, was the subject of the sermon-lecture in All Christian Science Churches throughout the world on Sunday, June 18.

Amplified Bible citations was this passage (Job, 35:5-6): "The sea is his, and he made it, and his hands formed the dry land. O come, let us worship and bow down: let us kneel before the Lord our Maker. For he is our God; and we are the people of his pasture, and the sheep of his hand."
Correlative passages read from the Christian Science textbook, "Science and Health with Keys to the Scriptures," by Mary Baker Eddy, included the following (p. 214): "Nothing is so real to the soul as the word of God. It is the word of God, who from all eternity has been creating worlds, and who knows the heart of every man. He is the outgrowth, the emanation, of His infinite self-consciousness and immortality."
