What you don't "Re-deposit" - - - Spend in Birmingham

These Birmingham Merchants Are Joining in a Week-end of Worthwhile Bargain Events . . . Just to Celebrate the Payoff of the First National Bank.

To most of us (both business men and residents) this new bank opening and the release of about one-half million dollars, is a long looked for event.

It will be something like a holiday to many of us to have a few extra coins jingling in our pockets. Some of us will feel like spending a bit . . .

NOW—To those who are looking about for long neglected bargain opportunities—We say to you . . .

LOOK AROUND THE STORES IN BIRMINGHAM.

We celebrate the upward turn of events by offering
