

WOMAN AND MATE INJURED IN CRASH

Revel of Couple Hurt When Car Crashes With Truck

A man and his wife were severely injured when an automobile in which they were riding crashed with a truck early Monday morning at Woodward avenue and Touhy street.

The man, Mr. and Mrs. Edward Meyer, 517 Hawthorne drive, 23rd St., Mrs. Meyer, who is 25 years old and a train driver, received a broken arm and severe lacerations and bruises on the face and legs.

Her husband, 27 years old, sustained a broken leg and lacerations of the face.

They were taken to St. Joseph's Mercy Hospital in the Knapdale building, and Mrs. Meyer was taken to the same place by the ambulance of Cranbrook.

They were taken to St. Joseph's Mercy Hospital, 27 years old, 2377 Woodward street, Detroit, employed by George F. Agler Company, was the driver of the automobile in which the crash occurred. He was held until after

JUSTICE CANDIDATE IS ACTIVE LAWYER

A. J. Hart, 372 Harmon avenue, one of the candidates for the office of municipal judge in the April 3 election, is actively engaged in the practice of law at the present time, and not in the real estate business as was erroneously stated in last week's Eccentric.

He first began the practice of law in the office of Luman V. Goodenough in Detroit in 1915 and later had his own practice. Then, for a period of years, he was in the realty business, returning to private law practice about two years ago.

He had made a statement to Prosecutor Arthur P. Bogue in which he said he was driving east on Fourteen Mile road and waited at Woodward avenue until two cars had passed before proceeding across. He saw the Meyer car approaching, he said, but estimated it was still two blocks away. He said Mrs. Meyer might have avoided colliding with the trailer had she "veered" in the right instead of to the left when she neared the intersection.

The first 10-cent U. S. air-mail stamp was placed on sale on Feb. 13, 1926.

Father, Son Win Highest Local Boy Scout Honors

Jules Wenzl Awarded Eccentric Medal As Outstanding Scout of 1932

Upon a father and his son were bestowed last Friday night, the highest honor in the power of the Birmingham Boy Scout organization to confer.

The awards to the boy and his dad came as a result of the annual Boy Scout Father and Son program in the Community House, at which the chief speakers were three nationally known figures in the world of sports and transportation—Capt. Harry K. Chevrolet, W. D. Edensburn, and Jules Wenzl.

The honored youth was Jules Wenzl, 5111 Highland street, who was chosen by the Boy Scout District Committee to receive the Birmingham Eccentric award as the outstanding Boy Scout of 1932. His father, Julius F. Wenzl, a former president of the District Committee, was honored by the scouts themselves when they conferred upon him the honor, though sincere "Order of the Buzzard."

The Eccentric medal is awarded annually to the scout who proves himself outstanding among his fellows on the basis of length of time in scouting service, attitude and rank. The recipient of the year first became a Boy Scout in 1928, first class in 1929, and attained second class in 1931, and was awarded a bronze medal in 1932. He has earned 27 merit badges.

The father's award, which consists of a permanent name in the Community House on which the name of each year's winner is engraved, and a bit more of honor, was conferred upon Wenzl by Paul N. Averill, executive manager of the District, Captain Haislip pinned the medal on the winner's uniform.

Father Honored

The scout's father received the ribbon and buzzer medal of the "Order of the Buzzard" from Donald J. Parry, last year's outstanding scout in appreciation of the service Mr. Wenzl has rendered scouting.

The meeting was presided over by Shelton Wright, president of the District Committee. Each of the three chief speakers recounted interesting chapters of his personal experience, and together they gave a composite account of the development of scouting in transportation.

Mr. Edensburn, chief steward of the Harnsworth Trophy and Indianapolis Memorial Day auto races, took occasion to defend Gar Wood for drawing the English

starting line before the 20th, thus disqualifying several of the best of the 1931 Harnsworth race.

"This people and the race were quick to take up the case," Mr. Edensburn recalled. "Wood didn't do anything that was not provided for in the rules. It was wanted to start early and dignity himself, that was his sin. There was no rope tied from the boat to Don's."

Refers to Campbell

Mr. Edensburn's remarks were interesting sidelights on the Harnsworth race. Campbell's recent feat of breaking all existing records for 12 miles an hour in his powerful "Birds of Dayton," Beach, Ohio, was mentioned as a record set up by Campbell and his predecessor from the time when they were racing in the "Birds of Dayton" race.

Mr. Chevrolet, one of the founders of the Chevrolet Motor Car Company and one of the most famous of early race drivers, described some of his own experiences from an account of his own race when he won a 400 mile race with wings stuffed into a hole in his crankcase and with one cylinder missing.

Captain Haislip, holder of the national record for a 10 hour and 15 minute run from Los Angeles to New York and assistant manager of the Shell Petroleum Corporation, also mentioned his own experiences, and pleaded for an increased confidence in the possibility of aviation as a fact and not a means of transportation.

"Don't condemn aviation for its future simply because it has had a bit ragged past," he said.

Former Legislator Seeks Justice

A former member of the Michigan State Legislature is listed among the candidates for nomination to a Blooming Township office in the primary election next Monday.

He is Delbert C. James, West Maple and Cranbrook, who as a member of the state's government has served in the Michigan's first automobile drivers law and was also the author of the law which made it a crime to drive a motor home in the township January, 1932, and previously had served the township from 1913 to 1923 with his family in a home on Kensington road.

Mr. James is married and has one daughter.

MECHANIC FINED \$50 FOR DRUNK DRIVING

Verhard C. Simpson, 7751 Whipple street, Detroit, mechanic, was fined \$50 for drunk driving when arraigned before Justice H. A. O'Dell. Simpson was arrested by Birmingham police early Sunday morning on Woodward avenue at 4th street.

FIRE DAMAGES AWNING

A small hole was burned in the awning of the Laundrette Laundry and Dry Cleaning establishment 185 South Woodward avenue, by a fire last Friday night which is believed to have been caused by a careless thrower of a cigarette. Men in the vicinity had nearly extinguished the blaze when firemen arrived.
