Present Day Club Gives Irish Program

A SURE TIP!

These are the Winning Colors

HOLEPROOF HOSIERY

"SUN-UP", "SUN-DOWN",

"IN-BETWEEN"

un-up" is an "odds on" favorite color for all bright daytime ents. It's a rich bronze skintone. "Sun-down" is the "one at bet Tor all evening clothes ... especially white and tels. It's a delicate complexion into. And "In-between" is "way out in front" neutral shade that will win with all town I street reculture.
