Mother Cites Need of Early Training To Restrain Child

Letter to Dr. Myers Describes Lack of Discipline In Neighbor's Children

By GARRY C. MYERS, PH. D.
"DEAR DR. MYERS: In your column you wrote a recent paragraph with which I most heartily agree..."

"I always have believed that juvenile delinquency could be eliminated by the proper training of children...

"Mrs. E. is of the borrowed type, which may in a way account for the attitude of the children...

"May you long be able to keep up your helpful suggestions, which have a home to them in many fathers who often misunderstand the discipline signal and cry for help..."

"I think to thank my readers for telling their friends about this column, for their appreciative words are a help to the editor who never, and for their many letters...

"I have been impressed on me during the last three years through the family living in a tenement house on our ranch...

"This has been impressed on me during the last three years through the family living in a tenement house on our ranch...
