

B. H. S. DROPS DEBATE WORK

Cross-Country May Also Disappear From 1933-34 Curriculum

Two activities which have been popular at Baldwin High School for several years will undoubtedly be dropped from the curriculum this year, according to Melvin C. Hart, principal. They are cross-country competition and inter-scholastic debating.

mingham schools was one of the reasons Mr. Hart gave for not continuing the work in debating. Since a debate team is composed of only three students and the work they and their coach must do in preparing material is so great, it was felt the effort would not be worthwhile, at least this year.

H. Earle Corvey, who has coached Baldwin debate teams for several seasons, has been transferred to the principalship of Pease School, and had there been a debating trio this year the job of coaching it would have fallen to Miss Marjorie Sturtz, now Spanish and English teacher, and former Dearborn High debating coach.

Debating will age, however, but the two activities being dropped to the curriculum later, this will be done, Mr. Hart said.

to be the faculty adviser of a debating club which will meet during school hours. Last year Baldwin debate team met with unusual success, and was one of 22 teams which competed for the state championship before being eliminated.

Cross-country at Baldwin this year lacks a coach. Franklin Whitney and Miles Robinson, the two school heroes of the year, are both busy with the football team. Ernest Engel, who supervised cross-country last year, and Donald Joy, another physical education instructor, are both occupied with class-room work and junior high athletics.

If there is any possibility of these two activities being returned to the curriculum later, this will be done, Mr. Hart said.

Schools Consider Piano Instruction

Board of Education Withholds Approval Of Visual Class

The Board of Education gave consent to the installation of a system of visual piano class instruction in the Detroit area and other sections, on approving of disapproving it.

The board interviewed a representative of a system now being taught in several schools in the Detroit area and other sections of Michigan. He said the system would be installed without cost to the board of education, and teachers of the system working under the supervision of the regular superintendent of schools.

The class would be taught in the kindergarten and first six grades. There would be eight students in each class, each student to receive two lessons a week at a cost of 15 cents a lesson.

This method of class instruction could be pursued by the individual student for a year or over a period of a half, when he would be prepared for private instruction, the representative said. It would not be necessary for the student to have a piano in his home while taking the class lessons, he added.

Baldwin Football Roster

Following is a list of Baldwin High School football players made up of candidates who, in the first three weeks of practice, have established themselves as the outstanding contenders for positions on this year's team.

The Baldwin style of play calls for four backfield men with a particular position. They are numbered one, two, three and four instead of the usual halfbacks, quarterbacks and fullbacks, hence this list designates "backfield" only for those who will do the ball toting for the Maroon gridlers.

Alman, John	165	Backfield	Senior
Boymon, Fred	173	End	Senior
Clark, Norman	180	Tackle	Junior
"Cushing, Fred	185	Guard	Senior

"Schwartz, Fred	140	Backfield	Senior
Steffe, Joe	148	Backfield	Senior
Wise, Harry	169	Guard	Senior
Ellenwood, Don	190	Center	Senior
DeWinger, Don	198	Guard	Senior

R. M. A. COMMITTEE ON SCHOOL SCRIP CHOSEN

Walter L. Moreland, cashier of the Birmingham National Bank, is chairman of a committee appointed by Alfred J. LaBelle, president of the Birmingham Retail Merchants Association, to confer with the Birmingham Board of Education on problems centering around the issuance and negotiation of school scrip.

Other members of the committee are Frank J. Mulholland, Chas. M. Ritchie, L. E. Davidson and J. Mark Hardin. The committee will meet alone before arranging a meeting with the School Board, Mr. Moreland said.

STUDENT CHATTER

Don't forget the football game tomorrow at 4 o'clock sharp. It will be your first chance to see the 1933 team in action. Prices for the game will be the same as last year—25 cents for adults and 15 cents for students. The band will be on hand, making its initial appearance of the season.

Although nothing definite has been decided upon as to what activities will occupy the half hour period from 1:15 to 1:45 P. M., which has been set aside for special activities at Baldwin High School, Principal Melvin C. Hart's tentative plans call for class meetings, assemblies and club meetings. Among the clubs mentioned by Mr. Hart which might be organized are a journalism group and one in debating. Other clubs, such as the Girl Reserves and Girls' Athletic Association, which are already organized, will also meet during this period.

Members of Mr. Hubbard's physiography class have been making nightly observation of the heavens during the past week from the roof of the school. The class, nearly 150 strong, is now gazing at the planets through the school telescope and later will study the moon.

Now, at the beginning of a new school semester, would be a good time to raise a request that junior and senior plays be included in the special activities of this year. Last year's production, "The Best," was a success because it was felt that the risk of investing money in materials for them was too great. However, the Washington Group Minstrel Show, which was produced in January, netted \$125 for the group, which had no money, at all.

"The early bird gets the worm." At least that's what a number of Baldwin High School football aspirants found out when they applied for equipment and were told that it had all been given out. Those who were there first got the material and those who came late are simply waiting for some candidates to turn in their uniforms.

CRANE GRIDDERS BEGIN WORKOUTS

Season Opens Oct. 7 With Jackson Junior College; Cox On Coaching Staff

Facing a difficult schedule of seven games, the first of which will be with Jackson Junior College on Oct. 7, the Cranbrook School football squad began practicing last week, and Friday held its first scrimmage. Prospects for the team look favorable, in the opinion of Head Coach C. J. Keppel.

A valuable addition to the coaching staff this season is that of Roderick C. Cox of Birmingham, former University of Michigan player. Cox was with the famous Wolverine team for three years, appearing last year at right end.

Cranbrook is fortunate this year in having 11 of last season's letter men back in uniform. They are Captain Demrick, Royal Oak; Harris, Bond; Lansing, Gileay; Birmingham; Keppel, Craig, Lovett, Osburn and Page, Bloomfield Hills; Beaudette, Pontiac; and L. Blunt and Frank Haynes, both of Port Huron.

Among the most promising of the new players are James, M. Clemens; McCann, Midland; Metzger, Kalamazoo; Winick, Lowell; Lewis, Detroit; Henning, Wineta, Ill. T. Blake and H. Blake, Detroit.

The season's schedule follows: Oct. 7—Jackson Junior College at Cranbrook; Oct. 13—Detroit City College Freshmen at Cranbrook; Oct. 21—Nichols School of Buffalo at Buffalo; Oct. 28—Culver Military Academy at Cranbrook; Nov. 4—Lake Forest Academy at Cranbrook; Nov. 11—Howe School of Howe, Ind., at Cranbrook; Nov. 18—Cleveland University School at Cranbrook.

CURATE OF ST. PAUL'S PREACHES AT VESPERS

The Rev. Ralph H. Higgins, senior curate of St. Paul's Cathedral, Detroit, will preach the sermon at next Sunday afternoon's vesper service at Christ Church Cranbrook. His subject will be "The Light from Arcturus," built around a parable from the World's Fair. The service will be opened with an organ recital from 4 to 4:15 P. M. and will be followed by a carillon recital.

WE HEARD IT SAID BY—James W. Taylor, Birmingham associate justice of the peace: "If we fine a man, then send him to jail because he can't pay the fine, it costs Birmingham \$1.30 per day to board him in the County Jail. In these times, that is a hard break for Birmingham, but there seems to be no alternative, since law must be enforced and justice maintained."

I DON'T SEE SO MUCH OF YOU THESE DAYS

I'LL SAY YOU DON'T! I DON'T NEED GAS SO OFTEN SINCE I BOUGHT THIS NEW DODGE

"EASY TO SAVE MONEY WITH A DODGE!" say owners

FROM all over the country come these enthusiastic reports. "Amazing how far it goes on a single filling of gas and oil!" says a doctor down in West Virginia. "Surprising gasoline mileage!" writes a Pennsylvania man.

"36,000 miles without having valves ground" ... "More than 10,000 miles without brake adjustments" ... "Had my Dodge 8 months and never have had springs oiled, but they don't squeak." These are just a few of the economy advantages Dodge owners stress.

See for yourself how you can save money with the new Dodge Six! Ask your dealer to show you the startling comparison between Dodge and other cars on the "Show-Down" Plan basis. Get a free copy of the "Show-Down" score card—let's you check car values for yourself—in an impartial, fair-and-square way!

Burglars Ransack West Maple Home

Apparently searching for money, thieves ransacked the home of Mrs. Stauch on West Maple road while members of the family were away for a short time Tuesday afternoon. They broke a rear window to gain entrance.

The entire upstairs was searched and left in complete disorder, with the contents of clothes closets and drawers left in piles on the floor. Dressing rooms were less thoroughly ransacked.

Nothing of considerable value had been left in the house, according to Mrs. Stauch, although some articles of jewelry, a few of which were valued as heirlooms, were believed missing. No clothing was taken, Mrs. Stauch said. Sheriff's deputies investigated.

Can there be any stronger recommendation for a car than this

These figures are based on the latest retail registration figures from the U. S. Post Office (all states) for six full months. Since January, first, Chevrolet has sold in excess of 425,000 passenger cars and trucks.

America can't be fooled when it comes to spotting the best "buy" in any field. America knows too much about motor cars for that. So when one certain car wins almost as many buyers as the next two put together, you know the answer: IT MUST BE BETTER. And that's what the new Chevrolet Six most certainly is.

Better looking—it has long, sleek, aer-streamlined lines—Fisher's smartest styling. Chevrolet has better bodies—they're built not just of steel alone, but of steel reinforced by a sturdy hardwood frame. Chevrolet has a better engine—six cylinders for lowest gas and oil consumption, cushion balancing for killing vibration. And Chevrolet gives better value—a long line-up of features, including the Starterator, Sycro-Mesh gear-shift, Free Wheeling, which no other low-priced car can match.

Now, in September, is the time to start thinking about a new car for winter! And when all you do, so, think of the way Chevrolet is leading all other cars in sales. What more could you possibly ask as a recommendation for a car than that? CHEVROLET MOTOR CO., DETROIT, MICHIGAN
