Why not save the difference? KNOCK

YOU can buy Arrow anti-knock gasoline with ABSOLUTE confidence that you will receive everything you expect in quick starting - power - mileage, for if in good faith you tell us it does not, we will refund your purchase price. You are both judge and jury.

Naturally you ask - - - How can we sell GOOD gasoline at such a low price. Our answer is emphatic and truthful when we say that the overhead expenses of this home owned and home operated company are very low. We pass on the differ-ence to you.

Arrow gasoline is produced from the very best Texas crudes. Its 70 octane rating is refined in . . . not the result of blending two or three grades. As a result it gives outstanding motor performance . . . is always uniform . . . exceptionally powerful.

Motorists tell us our 15½c gasoline compares favorably with others costing several cents a gallon more - - that it has power and fires perfectly. We are confident that it will prove better than you anticipate!

Every ten gallons means an extra quarter in your pocket
--- the price of a ticket to a movie or several packages of
cigarettes.
