WOMEN OPEN FUND FOR BOYS' CLOTHES

Presbyterian Union Makes First Contribution To Buy Blouses And Knickers

A new fund has been established by the Women's Union of the First Presbyterian Church to supply an urgent need in Birmingham. It is a fund to be used by the Community House for the purchase of blouses and knickers for boys of needy families.

The fund was started by a gift of \$119.65 from the Union. At its recent meeting, members decided that instead of donating Christmas baskets or other temporary gifts, they would begin a permanent fund from which money could be drawn to furnish boys with clothes necessary to attend school.

The Union voted to offer the first contribution for such a fund, following an appeal from Mrs. Edith Wall of the Community House, who told of the need in Birmingham for such articles of clothing.

Mrs. Walter T. Elliott and Mrs. Floyd A. Franklin were members of the committee who consulted with Mrs. Wall on the disposal of the new fund.

The Union hopes to add to its initial contribution from time to time. Mrs. Elliott explained, but individuals or other organizations are also invited to make donations.
