"Spirit" was the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, February 11.

"Among the Bible citations was this passage (Num. 4:24-25): 'The Lord bless thee, and keep thee: The Lord make his face shine upon thee, and be gracious unto thee: The Lord lift up his countenance upon thee, and give thee peace.'"

Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following: 244: "Spiritual living and blessedness are the only evidences, by which we can recognize true existence and dispel the unpeppable peace which comes from an alibonistic material love. Who we learn the way in Christian Science and recognize man's spiritual being, we shall behold and understand God's creation,—all the glories of earth, and heaven and man."
