

CRANBROOK FIVE LOSES 2 IN WEEK

Boys' To Windsor Tech After
Being Downed By City
College Fresh In Opener

A fighting Cranbrook basketball team met its second defeat of the season at the hands of Windsor Tech High of Canada Tuesday afternoon on the Cranbrook floor, emerging on the short end of a 27 to 26 score.

The game was a toe-up until the last whistle had sounded, with the lead alternating frequently. The Canadian quitted led, 16 to 14, at the half and 25 to 20 at the end of the third quarter after which the Blue and Grey rallied to within two points of the lead and then failed to convert any of four free throws, a single one of which they had needed the last.

The game was characterized by poor passing on the part of both teams and the lack of defense. Cranbrook to sink short shots. Tech opened strongly and led, 8 to 5, at the half and 25 to 20 at the end of the third quarter after which the Blue and Grey rallied to within two points of the lead and then failed to convert any of four free throws, a single one of which they had needed the last.

Captain Bill James of Cranbrook was high scorer with 10 points, and Riddell of Tech and Beaudette of Cranbrook were tied for second place with four field goals apiece. Cranbrook made two foul shots and Windsor one. Each team committed 12 personal fouls.

The defeat was the second successive one for the Cranbrook team, it having lost to the City College-Freshmen by a score of 19 to 17 on Tuesday at City College. Bill McKnight, former Detroit basketball star, was the key man and offensive leader in the victory of the freshmen, contributing 10 points to the final score. Cranbrook played an excellent game and earned sure of victory until the last minute.

**Varsity Club Holds
Initiation Ceremony**
New members were initiated into the Baldwin Varsity Club at the group's annual initiation ceremony last Thursday evening. The meeting, which was in charge of the club's president, Fred Scott, was held in the Roy Scout Room of the Community House.

The new members are Frank Hessecker, Warren Foster, Carl Mattern, Herbert McBride, Jack Sager, Clifford Stroh, Randall Kidney, Norman Parsons, Bob Harris and Norman Clark.

Refreshments were served following the ceremony.

Conference Planned on League Proposal

Hart, Coaches Will Decide Whether
Baldwin Will Join 5-School
Sport Circuit

Principal Melvin C. Hart of Baldwin High School is expected to decide late this week whether or not Baldwin will act upon the suggestion of John Baldwin, director of athletics at Royal Oak, that the high schools of Royal Oak, Ferndale, Hazel Park, Birmingham and St. Mary's of Orchard Lake form an athletic league.

Mr. Hart plans to confer with Coach Franklyn Whitney, Coach Miller Robinson and Ernest Ewing, director of athletics, on the matter. Should the group decide in favor of entering the league, they will meet with representatives from the other schools in Royal Oak next Monday evening for the purpose of drawing up definite plans.

According to Mr. Hart, it is doubtful whether Baldwin will enter the league.

"Unless Coaches Whiney and Robinson and Mr. Ewing have changed their opinions since I talked with them last, I surmise that Baldwin will continue in basketball and football without entering an athletic league."

It is quite definitely decided that the members of the loop would play basketball, but whether or not football would also be included in its program is not known. St. Mary's discontinued football last year and some conflict would arise in this instance. Hazel Park, which generally opens the Maroon grid season on Pierce Field, has no enclosed field on which to play and this would offer another problem which would have to be dealt with before football could be included in the plans.

BLOOMFIELD SCHOOL FORMS NEW COUNCIL

A Junior Student Council has been organized in the Bloomfield Hills School to supplement the work of the Student Council in the upper grades.

The new organization includes grades three through six. The officers are: president, Gordon Craig; vice-president, Peter Higley; secretary, Phyllis Brown; treasurer, Shirley Craig.

The representatives include: third grade, Sigfred Kraus and Harriet Williams; fourth grade, Joan Lane and Harry Klingler; fifth grade, William Williams and Hughes Bles; sixth grade, Alma Nissen and Stanley Nissen.

Maples Play Two Games This Week

Baldwin High School Maples will play their first week-end double-header this week, with games being played on both Friday and Saturday nights. On Friday they will journey to Ypsilanti to meet the Central High quintet, and on Saturday in the Baldwin gym they will take on the Detroit five.

Little is known about either of these opponents. Last season the Maples met Ypsilanti for the first time and won with little difficulty. This year, however, it is understood that Central has a great team and that it is leading the Ypsilanti league.

East Detroit is making its first appearance on a Baldwin schedule. The team is reputed to be one of the best Class B teams in the section.

The Maples are facing the toughest part of their schedule. After this week they play St. Mary's of Orchard Lake, Grosse Pointe and Mt. Clemens on successive Fridays. All of these teams are strong, and the Maples will have a hard job to beat any of them.

Schwarze, Baldwin captain, was awarded a foul throw with only 19 seconds of play remaining. Schwarze, knowing that there was not time enough left to score again after a toss up at center, intentionally missed the foul and gave his teammates a chance to make a field goal on a follow up shot. The scheme worked so well that the Maroons got two shots, but neither of them found the hoop and the game ended with Royal Oak in the lead.

It was one of the roughest games a Baldwin team has ever played. In the final half two men, Tony Freeman, right guard for the Maples, and Ossie Hanson, right guard for the Acorns, were both retired on fouls. Don Shaw, Acorn captain, was forced out of the game in the second stanza by an injured ankle. In the final quarter, Kenneth McBride, plucky Maroon forward, crashed head first into the brick wall underneath the Baldwin basket. Although he was stunned for a few minutes and it was necessary for the Maroons to call time out, he was back in the midst of the fray when play was resumed.

Both teams received some poor breaks from the officials. Two of the Royal Oak baskets were scored after the player had taken steps with the ball, and any number of Baldwin players committed what appeared to be the plainest fouls, but which went uncalled by the referee.

In the third quarter, Schwarze was awarded a free throw. The audience was jeering to such an extent that the Baldwin captain asked the referee if he could wait until the noise subsided. He was ordered to go ahead and make his throw.

Fans Ignore Referee
In the last period, the same thing occurred with a Royal Oak player awarded the throw. The Acorn player walked out of the ring as Schwarze waited for the official to quiet the crowd, and when Schwarze protested that this was unfair, the referee walked to the center of the floor and asked the crowd to keep quiet. The fans, remembering the Schwarze incident, refused to do so and the foul toss was made in an uproar of jeering.

Moore and McBride shared high scoring honors, with six points each. The Acorn forward sank three baskets from the free throw line. McBride netted two foul tosses and two field throws.

The Acorns took an early lead, and were ahead at the end of the first quarter, 6 to 1. But the Baldwin five began doing some heavy accounting for itself in the second period, and when the half ended it trailed the Royal Oak outfit by only two points, 10 to 11.

A much tighter defense met the Acorns as they came on the floor for the third quarter. A free throw by Hanson and a follow up shot by Ed Nyquist were the only Royal Oak scores in this frame. The Maples were also slow in starting the second half, and were able to score only four points in this period. Both were on short shot when Freeman and Fred Cushing dove for the scoring.

Defense Altered
The final period brought a change in the Acorn defense. After having used the zone style for the entire game, they switched to a man-to-man defense. For a few minutes it appeared as though this change would be their Waterloo. The Ma-

STUDENT IDENT CHATTER

By THE CHATTERBOX

Before Baldwin High School officials definitely decide whether to enter an athletic league with four other schools in this vicinity, it is the desire of the students to see the real value of such a league. Naturally they know the situation in which the students are placed, and they do not expect their decision will be at all altered by what we have to say.

One of the principal reasons given for the school not entering the circuit is that it would be necessary for Baldwin to play each school in the loop twice. It is pointed out that when a school plays another team twice, the interest in the second game is not as great as it might be. Of course, it is the desire of the officials to schedule the teams that will draw the biggest crowds and that will provide the best competition.

The four schools that would form the league with Baldwin are Hazel Park, Lincoln High of Ferndale, Royal Oak and St. Mary's of Orchard Lake. In basketball we would meet these schools in the second game between any two of these schools would be less than in the first.

We are quite sure that both Royal Oak and St. Mary's are among the biggest attractions on the Maroon schedule. Last Friday's game with Royal Oak gave proof that interest in the court sport when these two schools meet is growing each year. It would be nearly impossible to bill a better team than St. Mary's, and the interest in that school's games with Baldwin we do not believe would be all deteriorate. St. Mary's, the past two years has won the Class C state championship, and has always been among the toughest foes on the Maroon bill.

Perhaps Lincoln and Hazel Park would not prove as good attractions as either St. Mary's or Royal Oak, but both teams edged out the Maroons in basketball last year, proving they are certainly not inferior to Baldwin.

Should the teams in the league play football also, as there is some indication that they will, about the only disadvantage we can see is that meeting Legay and the other teams would greatly detract from the glamor and color of the annual Thanksgiving Day game between the two schools.

With the announcement that Miss Muriel Sturtz, instructor in Spanish, would furnish the name and address of a senior or seniorita in Spain for the study of 10 cents, many of the Spanish students are reviewing the letter forms they learned in grammar and are brushing up on their Spanish composition.

Several of the boys, who hope to draw a cute little dark-eyed Spanish miss are reviewing the words for love, picture, remember, boys, a breach of promise suit would be hard to find in Spain.

The evening of Feb. 8 has been definitely set as the date on which the school play, "Green Stockings," will be presented. Plans are now under way to give an afternoon dress rehearsal which the student body may attend.

SECOND CRANBROOK TEA DANCE IS HELD

The second in a series of afternoon tea dances was held Saturday, in the Commons Room of Cranbrook School.

Dr. and Mrs. Charles J. Keppel, Mr. and Mrs. John Davis, and Mr. and Mrs. W. Boyce Ricketts were the hosts and hostesses to a group of about 50 young people from the school and Bloomfield Hills. The Cranbrook Orchestra, directed by Robert Carson, provided the music.

Rooms continually broke through for shots at close range, were unable to sink any of them. Schwarze led the Baldwin score, climbing in this chapter when he netted a foul throw, placing the count at 16 to 14 for the Acorns. A beautiful long shot by Bob Mix, Baldwin center, sent the game into a 16-14 tie, and there it remained for several minutes.

Moore was awarded two free throws and the entire audience held its breath while he shot. Both throws bounced off the rim and the score was still knotted. Again Moore tried for a basket, this time on a shot from the corner, and again he missed the ring. In one last attempt he got the ball on a pass inside the foul circle and this time succeeded in swishing the nets for a 16-14 tie. This lead was enough for the Acorns, and they devoted the rest of their time to holding the ball.

Mix, pitted against Dale Williams, one of the hardest men to watch on the floor, played the best ball he has shown this season. Fred Cushing at guard also played a fine game.

Student Government Wins Favor In Poll At Baldwin

With nearly half of the students canvassed on whether they want some form of student government in Baldwin Senior High, the definite assurance was given last night that some type of government in which the students take an active part will probably begin functioning in the near future. The vote taken to date is 158 to 48 in favor of such an organization.

Only one session room in the school voted against the proposed project. Two rooms have not yet voted. They are the senior section room, with an enrollment of about 175 pupils, which expressed its desire to defer the vote until the students had had more time to discuss the matter as a group, and an sophomore room with about 35 students, which did not vote because the teacher refused to permit a poll to be taken. These two rooms will probably vote in the next week.

Each room, with the exception of the sophomore room which did not vote, and the room which opposed the project, elected members to a committee formed for the purpose of investigating the matter and to draw up a constitution which will be presented to the students for their approval.

Originally, the agitation for student government at Baldwin started in two of the school's English classes. Each class elected members to look into the matter and present a report to the class. This committee was in charge of the voting last week.

The group now investigating and making plans for a constitution is composed of the representatives of these two classes, along with the students elected to serve by each home room.

Robert Mix, a junior, is chairman of the committee, and Francis Phillips, another junior, is secretary. Both were members of the original group elected by the English classes, as were Orville Glantz, Ellen Ford, Jane Broad, Ralph Dullos, Bennett Root and Dean Peyer. Those elected by home rooms to serve on the committee are Tony Freeman, Louise Otterman, Bob Savage, John Hubbert, Jack Reynolds, Scott Walker, Bill Dryden, Charles Melas, John Parker and Jim Schooley.

WE HEARD IT SAID BY—
Rev. W. Hamilton Aulenbach, assistant rector, Christ Church (Cranbrook). "The Eccentric has given me a great deal of pleasure lately. I think it has improved immensely."

GET A STRAIGHT EIGHT FOR YOUR MONEY!

GET A STRAIGHT 8

because

- 1 You can get a big, roomy Pontiac Straight Eight at a price that is very little more than that of the very cheapest cars. The smart, new Fisher bodies are finer and more spacious. The improved Straight Eight engine gives you greater power, acceleration and speed—full 84 horsepower and a top speed of 82 actual miles an hour!
- 2 Here is a car that gives you the inherent smoothness, the flexibility and the luxury of Straight Eight transportation at a price that compares favorably with the prices of many cars with less to offer in cylinders, performance and size. The big, roomy, new Pontiac, remember, is definitely in the low-price field!
- 3 Last year's famous Pontiac was known as the Economy Straight Eight because its fuel costs were well in line with those of sixes. Today's Pontiac, thanks to further refinements in its Straight Eight engine, gives you more miles to the gallon for a good 10 per cent. A big, fast, powerful car with truly remarkable economy!
- 4 The trend today is toward Straight Eights. The Pontiac Straight Eight for 1934 will depreciate more slowly, and all evidence indicates a higher resale value "at the end of the road," just because it is a Straight Eight. Here then is another important reason why this great, new Pontiac is such a decidedly wise investment!
- 5 If your present car will make the down payment on a car of cheaper make, it will probably also make the down payment on a fine, big, new Pontiac Straight Eight. Your monthly payments, in any case, will be but a few dollars more. Why wait? See and drive the big, new Pontiac today. Get a Straight Eight for your money!
