Hawaiian Islands Eager To Entertain Roosevelt

Old Palace Should Intrigue First President To Visit Territory While in Office

The Kona coast off Hawaii where President Roosevelt will do his deep sea fishing.

By ROSE McKee Central Press Correspondent HONOLULU, T. H.—Franklin Delano Roosevelt, trying to be tourist rather than President...

Honolulu men who never before entertained a President of the United States while he was still in office, will show him the Iolani (bird of heaven) palace where ancient kings and queens of Hawaii held court.

As he enters the deepest, park-like palace grounds, F. D. R. will look at an ornate graystone structure whose balconies, towers and columns suggest Italian architecture of the Middle Ages.

Modern Touch And if he were just an ordinary tourist, the Senate of Hawaii now holds its biennial session there...

The ordinary tourist today, moved to romancing about pagantry and gold lace as he sees through the stained glass windows...

Help Yourself! Honoluluans who look to tourists as the west does its corn and wheat, are exceptionally generous...
