

Holy Name School To Hold Field Day

Marching, Athletic Contests, Baseball Games Included On Afternoon's Program

Field Day exercises will be held today at Holy Name School, beginning with a grand march at noon in which the entire student body will participate.

Led by a flag bearer and drummer, the ranks in each grade will be distinguished by distinctive colors and caps chosen by the students. After marching around the grounds, the children will eat a lunch previously purchased from seventh and eighth grade pupils.

John Ferris, president of the eighth grade, assisted by Bernard Carey and Philip Pollock, will be in charge of the athletic events. For the older boys and girls there will be a 75-yard dash and a 50-yard dash, a standing broad jump, running broad jump and baseball throw. The younger children will compete in individual and relay races.

Following the races, four baseball teams, two composed of boys and two of girls from the fifth, sixth, seventh and eighth grades, will play simultaneously on the two school playgrounds. The final event will be a tug-of-war.

The school will award prizes to the winners in each event, and a medal to the contestant who scores the greatest number of points.
