What you may gather to yourself in the way of material possessions is, indeed, trifling reward for your life—no matter if your possessions equal that of a monarch. There are quiet and deep recesses of your soul that earthy things can never comfort and solace. These depths are your enduring riches.

Annual Net Tourney To Start Saturday

Play will begin Saturday in the Birmingham Tennis Club's annual tournament with Charles S. Lewis, one of Detroit's best amateur players, defending the championship he has held the past two years.

Lewis' most dangerous rival will probably be Francis Tait, who won the crown in 1930 and 1931, and whom Lewis defeated in the finals of 1932. Milton Bielfield, runner-up in last year's tourney, is also entered, as are Jerry Hoxie and Hobart Wrobbel, holders of the doubles title.

Play will be held only in the men's singles and doubles. Forty-two players were entered last year, and an equally large or larger number is expected to start this season. Preliminary matches will be run off through the coming week, with the finals scheduled for the following Saturday or Sunday, if weather permits.

GILBERT LAKE CLAIMS YOUTH

Poor Swimmer With Adventurous Spirit Drowns 25 Feet From Shore

The restless spirit of adventure which caused Harrison Parent, 18-year-old Pleasant Ridge boy, to drop out of school for more exciting pursuits, carried him to his death Friday afternoon in Gilbert Lake, near Quarton road in Bloomfield Township.

Although he was a poor swimmer, Parent attempted to swim from a pier on the south side of the lake to a raft about 200 yards out. He sank after swimming not more than 25 feet, and although Birmingham firemen administered oxygen for nearly an hour, and Dr. George P. Raynale injected adrenalin into his jugular vein, they were unable to revive him.

Parent, an attendant at a Royal Oak gas station, lived with his grandmother Mrs. Martha Parent, at 66 Kensington avenue, Pleasant Ridge. His father, whose name also is Harrison, is a government employe who spends most of his time on the road.

The youth drowned in about 10 feet of water. He was brought to the surface by William Spencer, 45 Wellesley street, Pleasant Ridge, who, with three other youths from Royal Oak and Detroit, constituted the swimming party.

Spencer and two of the other boys were standing on the raft when Parent told James Seefeld, 250 East Ten Mile road, that he intended to swim out and join them. Seefeld, who was standing on the pier with Parent, warned him not to make the attempt, but Parent plunged in, nevertheless.

A few minutes later, Seefeld, who was dressed in street clothes, called to the boys on the raft that Parent was sinking. They thought he was shamming, at first, they said, but when they were unable to see Parent above the surface of the water, they set out from the raft in a row-boat. Spencer dove twice before finding the body on the bottom of the lake. The boys carried it in the row-boat back to the pier, where the firemen and Dr. Raynle carred on their unsuccessful attempts at resuscitation.

Parent's friends described him as a "happy-go-lucky" youth who dropped out of the 10th grade at Lincoln High School, Ferndale, about six months ago, impatient with class routine and finding his greatest pleasure in short trips of adventure around the county. Only the day before he was drowned, he had been warned to stay away from the lake by Fred Lincoln, head of the Bloomfield Residential Police Patrol.

Parent's friends said the youth had eaten lunch shortly before entering the lake, and that he was probably seized with cramps. They said he had been under water at least five minutes before he was brought to the surface.

Haste Counts In Inhalator Calls

So that no time will be lost when the fire department inhalator is needed in cases of drowning, asphyxiation by gas, and electrical shock, Fire Chief Vernon W. Griffith yesterday issued instructions for persons needing the inhalator to call the fire hall, phone 1725, directly.

"When the inhalator is needed, the fire department should be notified at the same time a physician is called," Chief Griffith said. "Don't wait for the physician to call the fire department for in that way from 5 to 10 minutes are often lost. Call the fire department directly."

Senior Counselors Picked For County Y.M.C.A. Camp

Medical Staff Also Named; Capacity Registration Expected

The list of 16 senior counselors who will have charge of the various activities this summer at Camp Mahn-go-tah-see, the Oakland County Y. M. C. A. summer camp for boys on Loon Lake, was announced yesterday by Robert D. Lynd, camp director.

There will also be 16 junior counselors, one to assist each senior counselor, and a professional medical staff, headed by Dr. George Anthony, a graduate of Toronto University. Dr. Anthony served his internship at St. Mary's Hospital, Detroit, and spent six months in the Rhode Island Hospital at Providence and three years in Children's Hospital, Detroit, where he is now acting pediatrician.

Dr. Anthony will be in residence at the camp throughout the full period, as will Mrs. Ann Codling, registered nurse of the Royal Oak Schools, and Mrs. Dorothy Laird of Birmingham, who will serve as camp dietitian. This will be the third year at the camp for both Mrs. Codling and Mrs. Laird.

Opens June 30

The camp will open June 30 for two months, with four periods of two weeks each. Advance registrations indicate that the camp's capacity of 100 boys for each period will be reached, Mr. Lynd said. Fully 100 of the campers are expected to be Birmingham boys.

Dr. George Anthony

The list of senior counselors follows:

Howard Senteney, Royal Oak, sixth year at camp, supervisor of water front. Holder of Red Cross and life saving examiner's certificate.

John Houghton, teacher at Roosevelt School, Ferndale, fourth year at camp, supervisor of worship and newspaper.

Glen Husted, principal of Daniel Whitfield School, Pontiac, third year at camp, supervisor of nature lore.

Eugene Hubbard, teacher in the Birmingham schools, second season in camp, supervisor of archery crafts.

Clifford Baldwin, teacher in Pontiac schools, second season in camp, director of music and business manager.

Neff, Ellerby Listed

Fred Faust, Pontiac, second year law student at University of Michigan, third season at camp, supervisor of sailing and assistant in horsemanship.

Robert Gass, Royal Oak, sophomore at Albion College, second season in camp, specializing in camp improvement, and bugler.

Sterling Jackson, Pontiac, Albion College graduate, fifth season at camp, water front assistant.

Irwin H. Neff, Jr., Birmingham, former student at Dennison University and Chicago Y. M. C. A. College, third season in camp, supervisor of campfire programs and dramatics. Richard Ellerby, Birmingham, junior at University of Michigan, second season in camp, supervisor of horsemanship.

Bill Jansen, Cleveland, O., junior at Bowling Green State College, assistant in crafts, hiking and music.

Merlyn Smiley, teacher in Birmingham schools, supervisor of arts and crafts.

Other Counselors

Franklyn Whitney, Birmingham high school athletic coach, assistant in recreation, boxing and wrestling.

Harold Cousins, University of Michigan graduate, will be in camp for two weeks to help in hiking, sailing and fishing programs.

George Winborn, Birmingham, will also spend two weeks in camp, working on boating and hiking programs.

Harold Dearing, Pontiac, Albion College graduate, supervisor of adult and family camping.

Among the 16 junior counselors will be five Birmingham boys. They are Norman Clark, Bill Colo, Charles James, Kirke Martin, Bob Brennan.

H. G. SCHWARZE DIES SUDDENLY

Engineer For Pontiac Motor Co. Was Head Of Widely Known Family

Largely attended funeral services were held Monday afternoon for Herman G. C. Schwarze, an engineer for the Pontiac Motor Company and head of a widely known local family of six children.

Mr. Schwarze, who was 53 years old, died unexpectedly of angina pectoris Friday afternoon at his home on Brookdale boulevard, Bloomfield Township. He had previously recovered from two strokes and had been working as usual, but was taken suddenly ill again Thursday night.

The services were held from the S. O. Wylie Bell Home for Funerals, with burial in White Chapel Memorial Cemetery. The Rev. W. Clarence Wright, pastor of the First Presbyterian Church, officiated, and associates of Mr. Schwarze in the Pontiac Motor Company acted as pallbearers.

Born In Buffalo

Mr. Schwarze was born in Buffalo and joined the Cadillac Motor Company in 1907 before it was a unit of the General Motors Corporation. He had been with Cadillac and later with General Motors continuously until his death, with the exception of the years 1921 to 1924, when he was an engineer with the Peerless Motor Company of Cleveland, and lived with his family in Chagrin Falls, O.

He is survived also by his widow, Clara S. Their six children all have made enviable athletic or scholastic records either in Birmingham or Chagrin Falls. Bruce H., oldest of the six, now living in Flint, was captain of the football team and one of the best all-round athletes and scholars ever produced at Chagrin Falls High School, where Carl, the second son, also played football.

Hermann, Jr., was captain of the Baldwin High School football team here in 1928, his senior year, and was also a star in other sports. His brother, Ralph, was a teammate of Hermann, Jr., on the gridiron, and graduated the same year. Dorothy, the only daughter, is also a Baldwin High graduate, and now is a student at the University of Michigan.

Two Sisters Survive

Frederick, the youngest son, will receive his diploma from Baldwin at commencement exercises next Monday night, following an illustrious high school career. Chosen yesterday as the school's outstanding student-athlete of the year and the winner of the George Johnson Memorial award, he was co-captain of last fall's football team, was a star in basketball, and is one of the leading amateur golfers of the Detroit district. He is captain of the high school golf team this year, and is a former champion of the Birmingham Golf Club, of which his father was a member.

Mr. Schwarze also leaves two sisters, Mrs. Ben Dye of Highland Park, and Mrs. William Weymouth of Jacksonville, Fla.

CITY TO LICENSE NEW GARBAGE COLLECTOR

Applications for licenses to establish garbage collection routes in Birmingham will be received by the City Commission at its meeting Monday, June 18, City Manager James W. Parry told the Commission that Perley Carr, the present collector, intends to give up his routes July 1, and that a new collector must be licensed. The collector receives his fees directly from his clients, and the service is not compulsory. The city's only function in the operation is to license the collector.

An announcement to follow—

CITY WILL HELP ALLAY TOWNSHIP ROAD DUST

The City Commission appropriated $30 Monday night to be used for the purchase of calcium chloride to be spread on roads in Bloomfield Estates Subdivision leading to Bloomfield Park. The appropriation was made in response to a petition signed by 12 property owners in the subdivision, complaining of the dust conditions caused partly by traffic to and from the park, which is now operated by the city. The signers said the Bloomfield Township Board had agreed to furnish half the price of the calcium chloride, estimated at $60, and to treat the roads, which are located in the township.
