STUDENT COUNCIL OFFICERS CHOSEN

Robert Mix Elected President Of
New Self-Government At
Baldwin High

With only one of the three of-
fices being contested, the voting
for officers of the new Baldwin
Student Congress was extremely
light Monday. Robert Mix was
elected the first president, receiv-
ing 64 votes to 50 for Jerry Hart,
his opponent. John Parker and
Robert Chissus were chosen vice-
president and secretary, respec-
tively, by default, there being no other
candidates for those offices. An
amendment to the constitution, in
which the faculty was given a veto
power, was approved, 73 to 15.
Only about 115 students out of

the total of approximately 870
eligible voters exercised their vot-
ing privilege. Only 247 students
were registered for the election.

A second candidate for vice-
president, Charles Melas, failed
to file his petition even after he
had been an extra day in which to
secure names.

The officers will begin their du-
ties next fall.

"Ancient and Modern Necessary,"
also "Memorabilia and Hypnotism De-
monstrated" was the subject of the les-
son in all Christian Science Churches
throughout the world Sunday, June 3.
Among the Bible citations was this
scripture (Matt. 12:27, 28): "And if I
by Beelzebub cast out devils, by what
power do the devils of the world cast
them out? therefore if they shall be
cast out by the Spirit of God, then the
kingdom of God is come unto you. If
I cast out devils by the Spirit of God,
then the kingdom of God is come unto
you. Corroptive passages from the Christian
Science textbook, "Science and Health
with Key to the Scriptures," by Mary
Baker Eddy, included the following (p.
54): "I will convert the earth into
from God, divine Principle, and is
learned through the truth more than
the astronomer can read the stars or
calculate an eclipse. This Mind-reading is
the opposite of clairvoyance."

Local Archers Win River Rouge Shoot

The Birmingham Archers, with
a total score of 2,106 points, won
first place in the held at the
River Rouge Park range Sunday,
sponsored by the Detroit Archers
under the auspices of the Michi-
gan Archery Association. The
Kalamazoo team was second with
2,074 points, and Detroit third
with 1,578.

Although she was competing in
only her third tournament, Mrs.
Monroe Merrill of Birmingham
won second place in the women's
division of the shoot, scoring 159
hits and 846 points. Mrs. Fred
Scheerer, also of Birmingham, was
third with 153 hits and 839 points.
Second place in Class A of the
men's division went to Dean S.

WIFE GRANTED DIVORCE FROM G. W. PATTERSON

Mrs. Eva B. Patterson, 314
West Maplehurst avenue, Ferri-
dale, has been granted a divorce
in Oakland County Circuit Court
from Garrett W. Patterson, 967
Southfield avenue, Birmingham.
The original suit was filed by Pat-
terson, who claimed his wife went
with her own income, leaving him
behind because he could not
afford to make the trips. He was
unable to maintain the level of
living to which she was accus-
tomed when his income dropped to
\$75 a month, he said.

In her cross-bill, Mrs. Pat-
terson charged her husband was
addicted to the use of liquor and
courted other women and that the
trips she took were principally at
his suggestion.

YOU'RE TELLING US!

HOUSEWIFE:
What do you mean... we're telling you?

KROGER:
Just that. The reports from our Food Foundation chemists
on the purity, food value, and quality of foods don't
entirely satisfy us.

HOUSEWIFE:
Why not?

KROGER:
Because. We want to know what housewives think of our
foods. 750 of them are sent samples of tested products.
They tell us how they act in their kitchens. Then, an
only then, do those products with a place in Kroger Stores!
