for Spring

PERK UP ... and get into the spirit of EASTER. These new things will add that final touch to your spring-like appearance.

EVERYONE WANTS COTTON BLOUSES

The Spring season always brings out a galaxy of breezy cotton blouses which add so much to the jaunty air of feminine attire. A few of these will live up your appearance and afford variety to your wardrobe. Plaids—Stripes and plain colors in neat tailored effects and fluffy ruffles with organdy trim. A fine variety of styles to choose from.

COTTON SWEATERS...

Many prefer these clever sweaters of knitted cotton. They may be had in all the newest shades—including pastels and patterned effects in various color combinations. There's a certain swagger effect in these sweaters which makes them very popular with the younger set.

\$1.50 up

WOOL SKIRTS...

Of course you must have a few well tailored skirts to go with the blouses or sweaters. Our recent arrivals include fine woolen tweeds and flannels in brown, green, red, grey, blue, tan and black. A variety of styles—both plain and pleated.
