## WIVES TO BE READ IN DETROIT CHURCH

Mildred Green Will Join Ranks of June Brides At Simple Ceremony

The Holmes Memorial M. E. Church in Detroit will be the scene of a quiet wedding ceremony Saturday afternoon, June 23, at 4 o'clock, when Miss Mildred Green, daughter of Mr. and Mrs. Joseph S. Green of West Frank street, and Howard Daniels Ritter, son of Mr. and Mrs. Milo E. Ritter of Detroit, will be united in marriage.

The Rev. John Meredith of Orosso, former pastor of the church, will read the rites in the presence of the immediate family. Miss Green will be attended by her sister, Mrs. Clifford Harper, as matron of honor, and Mr. Harner will be the best man for Mr. Ritter.

For the past three years Miss Green has served as the organist and musical director of the First Presbyterian Church in Birmingham. Prior to her connection here, she acted in the same capacity at the church in Detroit where she will be married. It was during the three years she played at the Holmes M. E. Church that Miss Green and Mr. Ritter became acquainted. Mr. Meredith was then pastor of the church.

The ceremony will follow by a few days Mr. Ritter's graduation from the engineering school of the University of Michigan. He is a member of the senior class which will be graduated June 18, and is a member of Tau Beta Pi and Sigma Xi, honorary engineering societies.

The young couple plan to make their home in Birmingham.

## Flowers To Display Charm In Wide Variety Of Exhibits

Flowers that bloom in bottle gardens as well as those culled to adorn the dinner table will find a place to reveal their charm at the annual show of the Birmingham Branch of the Women's National Farm and Garden Association, which will be held at the Community House Monday, June 11.

The show will be open to the public from 2:30 until 7 P. M., and will include various arrangements of plants and flowers in the 20 classifications into which the exhibit will be divided. Only members of the branch, however, will be entitled to make entries, and exhibitors will be limited to one entry in each class.

Judging the exhibits will be Mrs. Frederick Campbell, Mrs. Floyd Hughes and Mrs. Lee Joslyn. A feature of the show, of interest to members and exhibitors, will be a discussion and criticism of exhibits to be given by one of the judges at 1:30.
