MAROONS 4TH IN REGIONAL

Only 3 Baldwin Track Men Qualify For State Meet

A strong track team from Dearborn High School replaced Baldwin High as the Class B regional champion in the annual meet at Ypsilanti Saturday by more than doubling the Maroons' score of 17 points. Baldwin finished only fourth in the final score, headed by River Rouge and Ecorse as well as by Dearborn.

As a result of their performances in the regional, three members of the Baldwin squad will be eligible to enter the state meet at East Lansing this Saturday. They are Don Donaldson, who placed first in both the 100 and 220-yard dashes; Don Porteous, who nabbed a third in the 220-yard low hurdles, and John Owens, who finished third in the broad jump.

Although a strong wind prevented officials from allowing any new records in the dashes, Donaldson ran the 100 in the record time of 10.2 seconds and clipped eight-tenths of a second from the 220-yard record of 22.8 seconds.

Last year, six Baldwin performers placed in the regional and proceeded to win the state title. With only three men eligible to enter the state meet this year, and two of them able o place no higher than third in the regional, the chances of Baldwin retaining its title are so slim as to be almost negligible.

The state meet, which will start early in the morning and last all day, will bring to a close the activities of the Baldwin team for this season.

Association Again Approves Baldwin

Principal Melvin C. Hart of Baldwin High School has received official notice from the North Central Association of Secondary Schools and Colleges that Baldwin High School had been placed on the approved list of the Association for another year. Mr. Hart said that he expects to receive word shortly from the University of Michigan that Baldwin has also been placed on the approved list of the University.

Baldwin was inspected and recommended for approval by both the North Central Association and the U. of M. by Prof. Ralaigh Schorling of the University a few weeks ago.

Rod Cox Will Coach Cranbrook Gridders

Former U. of M. Star Also Named Instructor And Assistant In Other Sports

Appointment of Rod Cox, former University of Michigan football and track star, as head football coach and instructor at Cranbrook School for 1934-35 has been announced by Dr. William O. Stevens, head master.

Cox, who lives at 1040 East Maple avenue in Birmingham, will teach mathematics, history and geography in addition to guiding the gridiron squad and assisting in other sports.

During the past year, Cox has been serving as an assistant football and wrestling coach at Cranbrook. He was graduated from Michigan last June after playing varsity end on the football team and starring as a hammer thrower on the track squad.

HURLER'S DOUBLE WINS OWN GAME

James, Cranbrook Moundsman, Beats Academy Nine With Clout In Seventh

Rallying in the last inning to score two runs, the Cranbrook School baseball team won a close game from Western Reserve Academy of Hudson, O. Saturday on the Cranbrook diamond, 5 to 4.

The game was scheduled for only seven innings, and when the Cranes came to bat in the last half of the final frame they were trailing Reserve, 3 to 4. Valpey opened by knocking out a single and Chiera got on through an error. After Allman had drawn a walk to fill the bases and Werneken and Merrill had been retired, Bill James, Crane pitcher, smashed out a double to score Valpey and Chiera and win his own game.

James pitched good ball for Cranbrook, striking out eight Western Reserve batters. Kest, Reserve moundsman, baffled the Blue and Gray for the major part of the game and fanned 12 men, but the Cranbrook hits were bunched and all except two counted in the scoring.

Valpey and James led the Cranbrook hitting with a double and a single apiece, while Merrifield and McNaitz each hit homers for Reserve. The Cranes were credited with four errors, while Western Reserve made three.

BACKACHES

The seat of a backache is the foundation of the back—the Spinal Column. This does not refer to the one-day backache that follows usual exertion, but to the persistent, nagging, painful backache that hangs on day after day, week after week.

To be rid of that backache, get rid of the cause by having the Spinal Column restored to normal alignment by means of Chiropractic adjustments. You'll be agreeably surprised how quickly the old ache will be a thing of the past.

MAPLE NETTERS BLANK FORDSON

Win All Four Matches With Tractor Team; Play In Regionals Saturday

The netmen of Baldwin High School shut out Fordson High's tennis team without a victory in four matches Monday afternoon on the Fordson courts. The Maple squad won all three singles matches and the first doubles match, making it unnecessary to play the second doubles contest.

In two of the singles matches the play was extended to three sets. Both Frank Phillips and Page Dinnell, Baldwin's number two and three men, respectively, dropped the second sets of their matches. Phillips defeated Adams, 6-2, 2-6, 7-5, and Dinnell downed Alexander, 6-2, 4-6, 6-4.

Robert Mix, Baldwin number one player, came through his match with the loss of only one game, trimming Shiells, 6-0, 6-1. In the doubles, George Frye and Jack Cummings won from Frizzy and Grigizicki in straight sets, 6-3, 7-5.

The Baldwin team will enter the regional meet at Ypsilanti Saturday to determine which of the team members will be eligible to compete in the state meet the following week.

Baldwin Golf Team Defeats Royal Oak

Good And Schwarze Score For Maples; Team In Regional Matches Saturday

Baldwin High School's golfers were defeated by the Royal Oak High School quartet, 7½ to 4½, last Thursday afternoon at Bloomfield Park.

Carl Good, playing in the number three position, was Baldwin's high point scorer with 2½ points. Fred Schwarze accounted for the other two Maple scores and was also low for the 18 holes, shooting a 72.

With the regional meet to be played this Saturday at Mt. Clemens, there is still some doubt as to who will be the fourth man in the Baldwin quartet. Schwarze, who has charge of the team, is quite sure that Bill Smith, Carl Good and himself will play for Baldwin, but the choice of a fourth man lies between three candidates, Jack Murphy, Bob Vinton and Bill Dryden.

CHEVROLET Engineering facts prove it. Experience in building nearly ten million cars confirms it. And the record of over 3,000,000 Chevrolet Six owners removes any shadow of doubt about it: *The only way to get real economy in a low-priced car is to insist on SIX cylinders and OVERHEAD valves.*

SIX cylinders—*no more!*—because *extra* cylinders mean *extra* cost for gas, oil, upkeep and parts. OVERHEAD valves—*nothing else!*—for the same good reason that airplanes use them. And speedboats. And racing cars. They get the MOST power out of the LEAST gas. That's why overhead valves are the choice of leaders—and champions.
