

BOYS and GIRLS

Join the

TRAVEL OPPORTUNITY CLUB OF AMERICA

What a trip it will be—those four big days in Chicago this summer seeing all the sights . . . and "doing" all the things at the 1934 World's Fair! The thrills of the "Sky-Ride" . . . a visit to the Belgian Village . . . the glamor of the Midway . . . the fascinating wonders of a Century of Progress brought to life before your very eyes.

Boys and girls from this community are now working hard and fast to secure these coveted trips. Only a few weeks remain of this unusual plan . . . and then the lucky members

will start to prepare for the opportunity of a life-time . . . Chicago and the World's Fair.

Travel Opportunity Club members . . . work hard, for the next two weeks will count. Friends and acquaintances of all Travel Opportunity Club members . . . you can help, for every point counts!

Let us repeat . . . only a few weeks more! Now is the time to work! And what an award awaits the lucky Travel Opportunity Club Members!
