VILLAGE PLAYERS NAME NEW BOARD

Officers For Next Year To Be Elected At Home Of Retiring President

When the Village Players begin the season next fall, it will be under the direction of a new board of directors chosen Saturday evening, when members met at the Playhouse for a Chinese dinner, business meeting and general frolic.

Those who will comprise the new board include Loren T. Robinson, H. G. Muehlmann, Joseph P. Little, Mrs. F. Farrington Holt and Mrs. Lane Bishop. Members of the board will meet Monday evening at the home of A. Fletcher Plant of Brookside drive, the retiring president, to choose officers for next year.

Mr. and Mrs. Plant will entertain the new and retiring board members, with their husbands and wives, at dinner at Devon Gables Monday evening. They will meet for cocktails at the home of the host, where they will also return for the business meeting following the dinner.

Classes Are Made Known For Annual Flower Show

Of interest to garden enthusiasts will be an announcement made this week by Mrs. Robert P. Grindley, chairman of classifications for the annual flower show to be held under auspices of the Birmingham Branch of the Women's National Farm and Garden Association at the Community House, Monday, June 11, at 2:30 P. M.

According to the plan arranged by Mrs. Grindley and her committee, the exhibits will be grouped in three sections, each to consist of several classifications. In the first section there will be classes for poppies, peonies, iris, columbine and other flowers in various types of containers will comprise the exhibits in the second section. This will include the arrangement of flowers in a low bowl, in vases not less than 12 inches in height, in pairs of vases, and in transparent vases with the stem arrangement as an additional feature to be considered.

In this section also will be judged the arrangement of flowers in any container, of wild flowers in wall brackets, and miniature arrangements of not more than 2 inches over all. Three other classes will include flowering branches, arrangement of white flowers in white containers, and flowers in varying shades of blue.

Section three will be devoted to miscellaneous exhibits such as shadow boxes, terrariums, and bottle gardens. Floral decorations in the arrangement of tables will be considered in this section also, as one class calls for a formal dinner table set for six or eight guests, or an informal luncheon table set for four. Refreshment trays arranged for two, will be judged in another class.

Dr. H. E. Moore Weds At Garden Estate

Coming as a surprise to their friends was the marriage of Mrs. Margaret Wikstrom of Rochester, and Dr. Herbert E. Moore, Birmingham physician and surgeon, which was solemnized Thursday evening at 6:30 o'clock, at Green Spring Valley Farm, near Clarksburg, Dr. Moore's summer home.

The Rev. Dr. R. D. Hopkins, pastor of the M. E. Church of Birmingham, read the marriage rites. Mrs. Grace Daret of Grosse Pointe attended the bride as matron of honor, and Mrs. E. W. Helt of Birmingham was the maid of honor. Mr. Helt assisted Dr. Moore as best man.

Following the ceremony, a supper for the bridal party and friends was given at the Miles Inn at Ortonville. Dr. Moore is president of the Birmingham Rotary Club, and his bride is making their home at Green Spring Valley Farm.

LOOK AT BOTH TYPES of Electric Refrigerators—before you buy!

You can see the two types—MONITOR TOP AND FLAT-TOP

Take your choice . . . they're both

GENERAL ELECTRIC ALL-STEEL REFRIGERATORS

1934 G-E models are the finest refrigerators General Electric ever built. Come in and see them. You will find brilliant beauty, new refinements and distinguished styling that will add a new modern note to your kitchen.

The General Electric Monitor Top mechanism quickly won universal recognition as the standard of excellence for household refrigeration. Sealed-in-steel, it requires no attention, nor even oiling. Introduced in 1927, its record is without a parallel for dependable performance at low cost year after year. First electric refrigerator to carry a 2 year guarantee, first with a 3 year guarantee, and first with a 4 year service plan, it now carries 5 years protection for only \$1 a year: the standard 1 year warranty plus 4 more years on its famous sealed-in-steel mechanism.

The new G-E flat-top created a style sensation in refrigerators. Beautiful in its modern simplicity of design it is undoubtedly most attractive of all refrigerators selling at popular prices. It carries the standard 1 year warranty. There are only two types of electric refrigerators . . . Monitor Top and flat-top. You can see them both here . . . and take your choice. You will, of course, find all modern convenience features in G-E refrigerators.
