TRACK STARS FAIL TO SCORE

Baldwin Net Team Also Blanked; Schwarze Goes To Golf Finals

While the track team of Baldwin High School was completing its season with the state meet at East Lansing last Saturday, the Maroon and White golf and tennis teams were playing off matches in regional meets.

In the contest at East Lansing, the Baldwin tracksters, who won the championship last season with the strongest team the school has ever had in the sport, were left far in the dust, failing to score a single point. None of the three men who qualified to enter the state meet at the regional contests held at Ypsilanti the week before was able to place Saturday. The trio was composed of Don Porteous, low hurdler; Don Donaldson, dash man, and John Owens, broad jumper.

Although the golf team as a whole finished fourth in the regional meet at Mt. Clemens, Fred Schwarze, Baldwin ace, earned the right to enter the state meet at Grand Rapids Saturday by shooting a 73, the lowest score of the entire field, Mt. Clemens and Royal Oak placed first and second, respectively, and qualified their whole teams for the state meet.

The Baldwin tennis team fared almost as badly as the track squad, although whether any players qualified for the state meet, which will be held Saturday at Ann Arbor, is still uncertain in the minds of officials and team members. The doubles team of Page Dinnell and Jack Cummings made the best showing, reaching the final round before they were eliminated. Robert Mix, playing in the singles, was defeated in the semi-finals, while Frank Phillips and George Frye were both put out in the second round. John Hulbert, fourth singles man, was eliminated in the first round. Lloyd Forester and Dick Carleton, who made up the second Baldwin doubles team, got as far as the second round before they were halted.

B. H. S. Student Congress Vote Set For Monday

With the date for the first election of officers of the new Student Congress set for next Monday, students of Baldwin Senior High School have been busy during the past week circulating petitions and campaigning for candidates.

Tuesday was the last day for filing petitions, and five candidates are in the field.

Robert Mix, who acted as chairman of the committee of students that promoted the Student Congress idea, and Jerry Hart, a 12B student, are to run for the presidency, while John Parker and Charles Melaas will oppose each other in the race for vice-president. Roberta Chissus is the only candidate for the office of secretary.

Monday's election will be under the supervision of the senior civics class, of which Miles W. Robinson is the instructor. Bob Harris and Don DeVlieger, two members of the class, are acting as co-chairmen of the committee on arrangements.

Officers elected next week will head the first student government organization Baldwin High has ever had. They will not take office until next fall.

CRANBROOK BOWS TO CLEVELANDERS

University School Is Victor In Hard-Fought Track Meet, 66¼-55¼

In the closest meet it has experienced this year, the Cranbrook School track team lost to University School of Cleveland Saturday at Cranbrook, 66¼ to 55¼.

The meet was close throughout, and it was only when the visitors took second and third in the next to the last event, the broad-jump, that they definitely cinched the victory. Duke Robertson of Cleveland was high point man with two firsts and a share in the half-mile relay for a total of 11¼ points. He was closely followed by Bob Eddy of Cranbrook with 10 counters. Eddy was also responsible for two new Cranbrook records when he ran the mile in 4:47.8 and the half-mile in 2:05.6.

Cranbrook took eight first places to six for University, but the Cleveland team out-did the Cranes in seconds and thirds. The main strength of the University School squad lay in the weight events, while the Cranes were best in the distances and the hurdles.

A summary of the meet follows:

100-yard dash—Blake (C), Leonard (U), Coulton (U). Time—10.4.

Javelin—Mattes (U), Hauserman (U), Glendinning (U). Distance—143 feet 3 inches.

120-yard high hurdles—Packard (C), Gilray (C), Browne (U). Time—17.0.

Mile run—Eddy (C), Newberry (U), Himelhoch (C). Time—4:47.8.

440-yard run—Robertson (U), McDonnell (C), Anderson (C). Time—54.0.

Shot-put—Dyer (U), Glendinning (U), Gilray (C). Distance—44 feet 7½ inches.

220-yard dash—Leonard (U), Blake (C), Craig (C). Time—23.8.

120-yard low hurdles—Stranahan (C), Davenport (U), Packard (C). Time—14.6.

Pole vault—Tied for first, O'Connor (C), and Kittle (U); third—Weaver (U). Height—10 feet 6½ inches.

High jump—Lovett (C), Sadler (U), Berry (C). Height—5 feet 6¼ inches.

880-yard run—Eddy (C), Wycoff (U), McDonnell (C). Time—2:05.6.

Discus—Robertson (U), Glendinning (U), Beaudette (C). Distance—108 feet 4 inches.

880-yard relay—Won by University (Cavender, Robertdon, Coulton, Leonard.)

Broad jump—Lovett (C), Coulton (U), Cavender (U). Distance—19 feet 11¾ inches.

WING LAKE ROUTS CRANBROOK NINE

Athletic Club Scores 10 Runs In Last Three Innings To Win By 18-8

The Wing Lake Athletic Club proved it has a much better ball team than Cranbrook School when it trimmed the Blue and Gray diamond team in the latter's final game of the year at Cranbrook Saturday, 18 to 8.

The Wing Lake men had very little difficulty in connecting with the ball, and hits were frequent. Both pitchers, James for the Blue and Gray and McGillis for Wing Lake, hurled rather loosely, but the Cranes were unable to make use of their opportunities as were their opponents. James fanned 12 batters, while McGillis struck out 11 men.

The Athletic Club had several big innings, particularly the first, fifth, and ninth. At the end of the sixth the Cranes were trailing by only one run, but in the last three innings their opponents went on a real slugfest and collected 10 more counters. Wing Lake collected 14 hits to 10 for Cranbrook, and was credited with only four errors to eight for the Cranes.

Earlier in the season, the Blue and Gray had beaten Wing Lake by a count of 6 to 4.

B. A. C. NINE WINS OPENER

New Team, Favored With Fine Pitching, Downs Selfridge Fliers

Playing its first game on any diamond, the Birmingham Athletic Club's baseball team got off to a start that augurs well for big things to come in its contest with the Selfridge Fliers of Selfridge Field on the East Maple avenue grounds here Sunday.

The B. A. C. staked itself to a three-run lead in the first two innings, and came through on the large end of a final score of 8 to 2 without once being headed.

To Cliff Kelley, Birmingham moundsman, goes a large share of the credit for his team's victory. He fanned no less than 14 rival batters, and held the opposition to seven hits, all well scattered except in the fifth and ninth.

Rocheleau, first up for Birmingham in the initial inning, started the scoring when he drew a pass, stole second, went to third on a passed ball, and counted on a double by Moore. Two more runs followed in the second on a double, a passed ball, a walk and an infield out.

The aviators got one back in the fifth when Day singled and scored on Haviland's double, but the locals offset that one in the next chapter on a three-bagger by Schwarze, followed by a single by Kiley.

The eighth was the big inning for the winners, however. Schwarze, first up, got a single. Kiley hit for two bases, scoring Schwarze. Kiley was later run down between second and third, and Forester fanned, but McClelland hit safely and Schultz was safe on an error. Rocheleau's hit scored McClelland, and Schack's counted both Schultz and Rocheleau after the latter had pilfered second.

The Fliers got one more in the ninth on successive singles by Day, Haviland and Dusing, ending the scoring. Throughout the game, the B. A. C. played heads-up ball, committing only one error, while the visitors were guilty of six.

The Birmingham team will play again here next Sunday, when the opposition will be furnished by either the Monarchs of Detroit or the Stroh team of Pontiac.

Last Sunday's box score follows:

"CHEVROLET IS RIGHT!"

After driving the New Chevrolet five miles, I'd never buy any other low-priced car!"

DEALER ADVERTISEMENT

CHEVROLET In the low-price motor car field there's nothing that *even compares* with Chevrolet's famous 5-mile ride. The reason is: No other car at Chevrolet's price has *any* of the vital features pictured below. And without these features, it's impossible to equal Chevrolet's ride! You can't get Knee-Action results with anything less than a *genuine Knee-Action car*. You can't get six-cylinder economy with more than six—nor can you get valve-in-head performance with anything inferior to valve-in-head design. And the same thing applies to the Fisher body, the brakes, the steering. Chevrolet offers one feature after another that makes a tremendous difference—in the way the car *feels, performs* and *saves*. One feature after another that puts Chevrolet far ahead in value . . . farther ahead every day *in sales!*

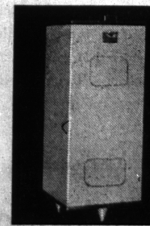
SIXTY GALLONS
of electrically-heated hot water for
10c A DAY!

A NEW low rate is being offered for electric water heating. This is a flat annual rate for year round service, and enables you to enjoy the convenience of electric hot water for as little as 8c a day for 40 gallons. Sixty gallons of hot water cost 10c a day, and eighty gallons 12c a day. Under this new arrangement, you may also obtain a seasonal rate for electric hot water, should you desire to use the heater only during the summer months. This rate is somewhat higher—about 11c a day for 40 gallons, 13c a day for 60 gallons, and 16c a day for 80 gallons. You may buy or rent an electric water heater, whichever you choose. Rental rates are low for these heaters, and if you prefer to buy the heater, convenient monthly terms may be arranged.

The low rate for this service is possible through the use of a specially designed heater which stores the hot water during the night hours.



Once you have enjoyed the convenience of abundant electric hot water, in a definite quantity, you will wonder how you ever did without it. There is no waiting for water to heat on a stove, no running up and down stairs to "pat a tank" or light a manually operated heater. You decide how much water your family needs and put in a heater of that size. A supply of hot water is heated at night and is available throughout the day and night. For bath and for shower, for shaving, for washing dishes, for the laundry, for housecleaning, for countless daily tasks, abundant hot water is a comfort and a convenience you should not be without. An electric water heater is an indispensable part of your house equipment.

Modern automatic electric water heaters are on display at your nearest Detroit Edison office. Come in and see them today.
