City Clerk

MAPLES SHOW IMPROVEMENT

Two New Players Help Team Beat Clawson, East Detroit Here Saturday

By DEAN BEIER
Playing a practice game with Clawson High School Friday afternoon at Piers Field, the Baldwin High School football eleven, not only won its first game of the season, but turned in its best performance to date. Its Clawson outfit, which had been defeated only once previously, was forced out on the small end of a 20 to 0 count.

Coach Miles W. Robinson apparently "found" his team in this game, and, with two new men in the lineup, the Maples should now be a fair match for any school they may play.

The organized team will get its first test Saturday afternoon at Piers Field when the eleven will open the second half of their season still having to win their first regular game. The eleven from East Detroit High School will provide the competition. The contest, which will start at 2:30 P. M., will be the first in which the two schools have faced each other.

Carey, Blake To Play
The two new players in the Baldwin lineup will be Phil Carey, who has played nearly every position on the second team and who has been promoted to one of the backfield holes on the varsity, and Howard Blake, who has been ineligible in previous games because he had not attended Baldwin the required length of time after transferring from Cranbrook, and who has been assigned to one of the guard holes.

The line that had held in spurts all season became permanently solid Friday against Clawson, and the backfield that had failed to block all season began taking out opposing tacklers. The Baldwin ball carriers, who had been stopped gold when hit the first time earlier in the season, refused to be halted by the Clawson line. The entire Maple eleven showed vast improvement.

The first Baldwin score was the result of a break. It came in the first period when McBride punted to Clawson and one of the Clawson players fumbled the ball and it was recovered by the Maroon and White on the Clawson 15-yard stripe. After making a first down, Bob Harrington was given the ball and he wiggled and squirmed his way over the goal line. McBride passed to Harold Minting, who stood over the line, for the extra point.

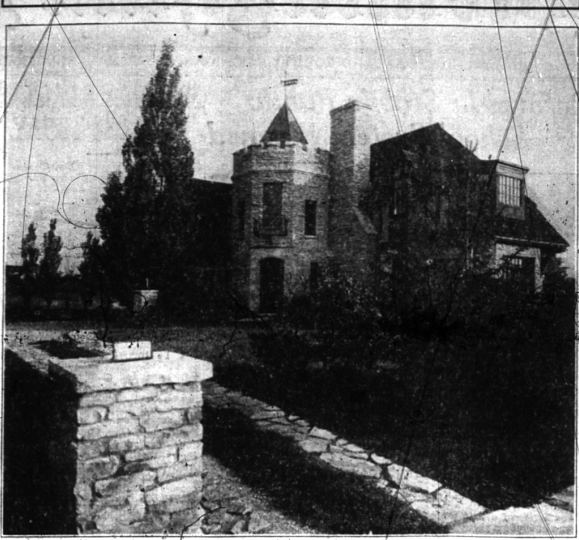

Both Teams Score
Both teams scored in the second chapter, Harrington again going over for the Maples and left-handed James Creedy passing over the goal line to Willard Jacobs for the Clawson squad. Neither team converted the extra point.

After squaring the ball deep into Clawson territory in the third stanza, the Maples called on McBride to toss a pass. The throw was intercepted by Creedy, but on the next play Creedy threw a pass which was intercepted by Harrington. The Maroons continued their passing attack and their third score was made when McBride passed to de Beaubien over the goal line. McBride carried the ball over for the extra point.

FIVE ON BLOOMFIELD SCHOOL HONOR ROLL
Two students at the Bloomfield Hills School on Vaughan road received honors, and three received high mention for their class work for the first six weeks of school, according to the honor roll received this week. Honors went to Anne Nichols and Annabelle Smith, and honorable mention to Lillian Brown, Betty Sieger and Marylene White.

Airplanes, automobiles and camels transported 25,000 passengers and 10,000 tons of freight across the Syrian desert in the last fiscal year.

Stone Home On Berwyn Road Sold To G. M. Truck Official

This attractive stone house at 377 Berwyn road has been sold to T. B. Cookery, manager of wholesale distribution of the General Motors Truck Corporation.

CRANES LOSE 4TH IN ROW AT SOCCER

Chatham Collegiate Institute Scores 2 To 1 Victory Over Blue And Gray

The soccer team of Cranbrook School lost its fourth straight game the season Friday when the Chatham Collegiate Institute of Cananda defeated the Cranes in a close contest, 2 to 1.

The game was well played and the Cranes seemed to improve as the match progressed, although all of the scoring was done in the first period. Art Carter, Chatham center forward, made both of his goals, the first early in the game and the second just before the end of the half.

Bob Craig, center forward for the Blue and Gray, accounted for Cranbrook's only score when he slipped one by the Canadian goalie near the middle of the first half, shortly after Carter had made his first goal.

The next soccer opponent for Cranbrook will be the Western Reserve Academy of Hudson, Ohio, the game scheduled for 10 A. M. Saturday, on the Cranbrook field. Last year the Cranes were defeated by Reserve, 3 to 1.

Series Of Visiting Nights Planned In Local Schools

In recognition of American Education Week, all local public schools will be open one night next week to give parents of students an opportunity to visit the institutions and confer with the teachers. Contrary to a custom followed in past years, students will not be present on the nights the schools are open.

Parents are invited to visit the schools at any time during the regular day sessions next week, but for those that are unable to do so each of the schools will be open from 7:30 until 9 P. M. on one night. Adams, Pierce, and Quanton Schools will be open next Thursday evening, Nov. 8; Baldwin will be open next Wednesday, and Barrum on Tuesday.

In explanation of American Education Week, J. W. Studebaker, United States Commissioner of Education, says the following:

"From the deepest desires of our people education draws its strength. Schools exist and teachers teach because parents care for education the most precious gift with which the can endow their children."

"All men recognize these truths. Yet the real reasons why we do what we do often become lost in the bustle and specialization of modern life. For this reason the Federal Office of Education 14 years ago sponsored an annual week during which citizens, teachers and children would think and talk about education and its place in our life. This celebration is called American Education Week."

Big Beaver School Notes

Of the 171 students of the Big Beaver School who were given tests for tuberculosis recently, only 10, or about 4 per cent, were found to be infected when the tests were read Friday. Infection means only that at some time the child has been in contact with someone who had tuberculosis.

Big Beaver had its special game at Donelson Friday, 7 to 1. Big Beaver had beaten Donelson earlier in the season, 27 to 7. The next league game will be played tomorrow at Auburn Heights.

Members of the sophomore class will give their first dance of the year Friday evening. Refreshments will be served. Hallway parties were given Wednesday afternoon by grades one to five inclusive.

In honor of Miss Helen Stover, third grade teacher, and in appreciation of her services, the fifth grade gave a party Monday evening.

Baldwin, Berkley Seconds In 0-0 Tie

In a second game this season, the Baldwin High School football reserves were involved in a scoreless draw Monday afternoon at Piers Field. Two weeks previously, the Royal Oak reserves and the Maple seconds had battled four games to a scoreless tie. Monday the Berkley and Maple reserves duplicated that performance.

Both Baldwin and Berkley played the same type of ball. Neither threatened to score. Each team constantly worked the ball to within 20 yards of its opponent's goal line, only to see its attack collapse.

The next game for the Baldwin reserves is set for Saturday at Piers Field, with the East Detroit seconds furnishing the opposition.

Plans for raising nicotineless tobacco on a large scale were recently announced in Germany.

FIND OUT FOR YOURSELF
by means of this Trial Plan
THAT
ELECTRICALLY COOKED MEALS ARE BETTER MEALS

There is actually a difference in flavor between ordinary cooking and electric cooking... You want to cook your favorite recipes on an electric range and see what a delicious flavor is achieved. We want you to test the range thoroughly in your own kitchen under all conditions, and become acquainted at first hand with its many advantages. We want you to try this modern waterless way of cooking, and see how meats and vegetables cook to melting tenderness in their own juices, retaining a delicious natural flavor. We want you to learn the HEALTHFULNESS of electric cooking... how precious minerals and important food values are SHALDIN, instead of being poured down the sink with excess water or being lost in steam. Here is the Trial Plan: We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Send in your application for a trial range today!
