lamb; it will roast all cuts of meat to perfection; it will fry eggs, steaks, chops, etc.; it will bake cakes, pies, cookies, biscuits and muffins; and it will hold half-a-dozen pint jars when canning by the cold pack, hot water bath method. With this possible on a small electric range.

A special set of pans

THIS attractive "Dutch Oven Susan" with its charming Colonial design is a complete electric cook-

ing appliance. Plug it into any

plete meat for a rammy or six—two vegetables, a roast, a custard, pota-tops and gravy—alf at one time. And you can go out for the after-noon while the meal is cooking. for any cooking operation you wish. It will roast a 10-pound ham, a 6-pound chicken or a large leg of lamb; it will roast all cuts of meat "Small Sister" Susan is the electric casserole (below, left). It has a two-

quart capacity and consequently a more limited use than the large cooker, but is ideal for preparing all casserole dishes such as waterless potroast, Boston baked beans, fried chicken, baked potatoes, etc. Either of these electric appliances make ideal Christmas gifts. What other gift at so low a cost will give so much pleasure to the entire family?

(available at slight additional cost) makes it possible to cook a complete meal for a family of six-two
