S HAIN'S DRUGS

Headquarters for "Three Year Olders"

They start young, coming to Shain's almost as soon as they are able to walk (of course they are accompanied by their mothers), and soon they learn how easy it is to entirely depend upon this store to furnish whatever they need through each stage of their growth to womanhood or manhood.

Their allegiance to this store is the remarkable p about these "three year olders." Possibly it is our friendliness to these tots that makes them want to come back again. Whatever it is, we do know that the majority of sices seen in our store each day are faces that will continue to come back to us again and again. We appreciate this testimonial to our policy of honest service and friendly interest
