COUNTY ARTISTS TO EXHIBIT WORK

Mrs. W. C. Wright Heads Committee For County Federation Sponsoring Show

Oakland County artists receiving invitations from the County Federation of Women's Clubs to participate in its fourth annual county art exhibition will soon begin sorting canvases and making selections for the event to be held in the Community House Nov. 1, 2 and 3.

Mrs. W. Clarence Wright of West Maple avenue is chairman of the committee directing arrangements. Assisting her will be Mrs. L. C. Hamilton of Holly, Mrs. William

Dick of Royal Oak and Mrs. C. Earl Currah of Pontiac.

Mrs. Thomas L. Thurber of Oak street and Mrs. Dick will be in charge of hanging the exhibits. Another branch of the arts, of particular interest to women, which will be on display will be needlework and arts of the home. A limited selection of this type will be shown in an upstairs room, with Mrs. C. W. Hubble of Milford in charge.

Artists exhibiting will be asked to bring their pictures to the Community House on Wednesday, Oct. 31, where Mrs. Wright and members of her committee, assisted by Mrs. D. L. Tate and Mrs. H. D. Harris, will be on hand to receive them. Rules of the show specify that exhibits shall be limited to three articles from each artist.

One of the highlights of the exhibition will be a tea at which the artists will be guests, to be given by the Birmingham Women's Club at the Community House the afternoon of Friday, Nov. 2.

Depew-Whitman Nuptials Solemnized in Hills Church

An avenue of white chrysantheums, placed along the main aisle of the Hills Church Cranbrook, marked the way for the bridal party, Saturday afternoon at 4 o'clock, when Miss Frances Pingree Depew, daughter of Mrs. Sherman Lawrence Depew of Bloomfield Hills, became the bride of Royal Whitman, II, son of Dr. Armington Whitman, Mrs. Sturgis Whitman of New York City. The marriage service was read by the Rev. Dr. Samuel S. Marquis.

White chrysantheums and tall standards of burning cathedral tapers were also used against a background of delicate Cilibot fern in the chancel. Calla lilies arranged in old French altar vases were placed on either side of the altar, laid with a red cloth of muslin embroidered in gold.

Sister Attends Bride.

The nave of the church was thronged with a host of friends and relatives of the couple as Miss Depew entered, preceded down the aisle by her sister and only attendant, Miss Valerie Depew. Stately folds of ivory satin and rose point lace formed the lovely gown and veil worn by Miss Depew. A full court train and sleeves generously puffed at the shoulder and tapering off to the wrist, were distinguishing features of the bridal gown.

The lace was originally fashioned by the gift of the Golden Wedding of Queen Victoria of England in 1838. As it had not been completed at the time of the queen's death, it was later purchased by Haesen S. Pingree, grandfather of the bride.

HOW MANY TRICKS CAN SOUTH WIN?

I UNDERSTAND that South did not do as well as he might have done with his hand. He played the hand for 4 Spades. The opening lead was the K of clubs. How many tricks do you think he has against the best subsequent play of opponents?

Bidding went: South, 1-Spade; West, 2-Clubs; North, 2-Hearts; East, 3-Spades.

The natural impulse of a player sitting South is to win the opening lead of the K of clubs, with the safest play on second thought. The declarer should not lose more than a single diamond trick in any event, and the discard does him no good. His plan should be to rid water to cover. Cover and take in a moderate oven eight hours.

Sale Draws Book-Lovers To Well-Stocked Shelves

The Birmingham public has apparently accepted the annual book sale sponsored by the American Society of University Women as an institution deserving of recognition and support. At least, a full court train and sleeves generously puffed at the shoulder and tapering off to the wrist, were distinguishing features of the bridal gown.

The sale was originally fashioned by the gift of the Golden Wedding of Queen Victoria of England in 1838. As it had not been completed at the time of the queen's death, it was later purchased by Haesen S. Pingree, grandfather of the bride.

This trial plan PUTS YOU UNDER NO OBLIGATION TO BUY AN Electric RANGE

Suppose you have taken advantage of this Trial Plan and placed one of our electric ranges in your kitchen. Suppose you have cooked on it every day, used it steadily for preparing all your meals, and found that for some reason you did not like it. What then? ... You simply call any Detroit Edison office. In a very short time our men will call for the range and remove it at our expense, with no further inconvenience to you. You will have tried electric cooking without investing a penny—and that is the purpose of our Trial Plan, EVEN THOUGH YOU DO NOT KEEP THE RANGE. You are placed under no obligation whatever.

Here are the details of this easy way to try an electric range. We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During this trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Send in your application for a trial range today!
