

WAYNE PASSES REPEL CRANES

University Freshmen Hand Cranbrook 27 to 0 Defeat In Opener

By BILL HUTCHINSON The lack of a strong pass defense proved the downfall of the Cranbrook School grid team in its first game of the season...

The Detroit team was stronger in almost every phase of the game than was the Blue and Gray...

In the third quarter, almost the same thing took place after driving to the Cranbrook 20-yard line...

In the fourth quarter, the Wayne team scored twice more, once on an off-tackle play...

In losing this game, the Cranes lost more than merely a grid contest, since two of their string ends were put out of commission...

Mt. Clemens High Crushes Baldwin Gridders, 20 To 0

Maroons Lose By Three Touchdowns For First Time Since Thanksgiving, 1930

By DEAN BEIER The Mt. Clemens High School football team accomplished last Friday afternoon at Pierce Field what no other team had been able to do since Thanksgiving Day of 1930.

Although the Maroon and White of Baldwin High school by three touchdowns. Four years ago Royal Oak scored three touchdowns to rout the Maples, 20 to 0.

Because Coach Miles W. Robinson was discouraged with the type of ball that several of his first stringers had been playing, he promoted several second stringers to the ranks of the varsity.

Because Coach Miles W. Robinson was discouraged with the type of ball that several of his first stringers had been playing, he promoted several second stringers to the ranks of the varsity.

While the Baldwin varsity has yet to win its first game, the reserves remain undefeated at the Hazel Park and Ferndale second squads having been defeated earlier in the season.

The Wayne High School reserves will be the next foe of the Maple seconds, the game scheduled to be played on Pierce field at 4 p. m. Monday.

While the Baldwin varsity has yet to win its first game, the reserves remain undefeated at the Hazel Park and Ferndale second squads having been defeated earlier in the season.

Maple, Royal Oak Reserves Play Tie Although they twice carried the ball to within five yards of the goal line, the Baldwin seconds were unable to score throughout four periods of play and were forced to accept a 6 to 0 victory for the tally of their third game of the season.

While the Baldwin varsity has yet to win its first game, the reserves remain undefeated at the Hazel Park and Ferndale second squads having been defeated earlier in the season.

Congress Considers New Ticket Scheme

Under the leadership of its president John Parker, the executive chamber of the Baldwin Student Congress held the first of its regular bi-weekly meetings Monday afternoon.

Several topics entered into the discussion, the most important being that of selling student admission tickets, which would admit the holders to all athletic contests, school parties and other events.

STUDENT CHATTER THE CHATTERBOX

For many years it has been the custom of Baldwin High School students to hold an annual field day, when each class tries to outscore the other in tag-war, push ball or other games.

The new Baldwin Student Congress is to be congratulated for the manner in which it put over its first undertaking.

The fact that like forces repel each other seems to have nothing to do with a couple of redheads who have been going around with each other for quite some time.

Frank Savage no longer has to make up excuses for being out so late at night, the answer being that Auburn, Ind., is a long way from Birmingham.

The most destructive insect enemy of the hop crop is the hop aphid.

OUR CHILD AND THE SCHOOL

By Dr. ALLEN C. IRLAND Director, Physical and Health Education, Michigan State Department of Public Instruction

I like to repeat certain topics from time to time because they are always new readers to be considered and to give emphasis.

This week, chiefly because of a new school year is beginning, I want to discuss again the food essentials.

And, what is important to us, his findings are practically unanimous. They all stress the importance of milk, for example, both for children and adults.
