How much will my electric bill be if I use an electric range? You can find out exactly by means of this TRIAL PLAN! If you have asked yourself this question - "How much will my electric bill be if I use an electric range?" - and wondered if you could afford to use a range, you need hesitate no longer. Here is a way to find out EXACTLY what your bill will be... and you do not need to BUY the range. Instead, you can use the range ON TRIAL in your own kitchen - test it thoroughly under all conditions - cook three meals a day on it - use all your favorite recipes. Then, when you have received your electric bill and found out how much the range costs YOU to operate, when you have become acquainted with its many superiorities, when you have decided whether or not you like it, make your own decision; keep the range or send it back, whichever you choose. There is no obligation. Here are the details of the trial plan: We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During this trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Since this trial plan was begun a short time ago, nearly four thousand of our customers have taken advantage of this offer. Send in your application for a trial range today! THE DETROIT EDISON CO.
