New Families Added To Rolls Here In Week, Investigator Says

Birmingham's welfare case load is undergoing a sharp increase at present on experience which is quite general in most cities throughout the nation at large—according to Charles R. Price, lo-cal welfare investigator under the Oakland County Welfare Relief Commission.

# WELFARE CASE Pitching, Breaks To Decide CITY ON GUARD LOAD GROWING Series, Goldsmith Opines AGAINST FIRES

He Believes

The kind of pitching the two teams get—and the breaks—are the believe of the believe of the believe of the world Series, in the opinion of Fred E. Goldsmith, 452 Green-wood avenue, who, at the age of 52, is undiquied in his claim of beling. The world's oldest ball But Goldsmith, who is credited with throwing the first curve ball, and who pitched for Pop Anson's Chicago White Sox back in the the edge to the Tigers, providing the pitching and the breaks are ven.

Dean boys, have been overtaxed, while the Tigger pitchers haven't.

"No, sir," Goldsmith must haven't.

"Learned the Market haven't.

"Learned haven't haven't.
