

Crane Soccer Team Opens Season Today

Will Try For First Victory Over Windsor-Walkerville Tech in Five Games

The 1934 Cranbrook soccer team opens its season today in a game with its traditional rival, Windsor-Walkerville Tech of Canada, on the latter's field.

This will be the fifth meeting between the two squads, and if the Cranes should win it will be the first time they have ever been able to accomplish the feat. Last year's games went to the Canadians by scores of 6 to 1 and 4 to 2, and those of the previous season were lost by equally decisive counts.

In spite of the loss of seven first-string men by graduation, Cranbrook soccer prospects are good this year, according to Coach Vernon B. Kellett. In addition to Captain James Talman, there are four left-ersmen, namely Jack McPherson, Rod Turner, Bob Craig, and Webster McKinley. Among the promising new recruits are Steve Johnson of Grosse Pointe, Jim Watkins of Detroit, and Tom Tilley of Ann Arbor.

First Quarter Touchdown Beats Maroons In Opener

Outplayed At Start Of Game, Baldwin Grid-ers Bow To Hazel Park, 6-0

By DEAN BEIER

Two passes, one long and one short, followed by a line play, put the Parkers in scoring position on the Maroons' five yard mark. Twice Captain John Ryan attempted to carry the ball over, but both times the Baldwin line held and he was halted for no gain. Ryan then tossed a pass to Herman Skok, left end, who caught it over the goal line. Coach Forester knocked down Joe Thompson's place kicker for the extra point.

Aerial Offense Good

Although forward passes beat the Baldwin squad, the Maroons' own passing attack was one of the outstanding features of the game. In practice, prior to Friday's game, the Baldwin aerial offense had appeared to be one of the team's major weak spots, but both Jerry Hart and Clifford McBride did some fine passing for the Maroons Friday. Hart's short passes were unusually effective, and as this is his first season of varsity ball, he gives promise of developing into a dangerous passer before the end of the year.

In the second half, neither team got the ball within the shadow of their opponents' goal posts. Most of the play was in the center of the field and both outlets did a good deal of punting. The Maples made the only two first downs of the last two periods, one on a plunge by de Beaubien and the other on a Hart-to-Howard pass. Johnny Owens, Baldwin back, made several nice gains on speedy end runs, but was unable to break loose for a score.

In all, the Baldwin team earned seven first downs as compared with four for the Parkers.

The lineups follow:

Hazel Park — Birmingham Skok, LE; Clark, LT; Filkins, LG; (C) Hicks, RG; Lilly, RC; Hoffman, RJ; Thompson, RL; Ryan (c), Q; Guckelberg, QB; Smith (H), HB; McBride, LB; Thompson, FB.

Substitutions — Birmingham: James, Rochelau, Owens, Martin, Harrington.

Officials — Referee, Wiseman, Western State; umpire, Spencer, S. N. C.; head linesman, Kettner, Colgate.

CRANBROOK SQUAD IN 1ST SCRIMMAGE

Passing Attacks Function Well As New Players Hold Centers To Tie

Cranbrook football fans got a preview of the 1934 squad in action Saturday, when Coach Rod Cox held the first hard scrimmage of the season.

The White team, composed mostly of new and younger material, surprised everyone by holding the Blue team, made up for the most part of seniors, to a 13 to 13 tie. Both groups showed fine spirit, but were particularly weak on signals. The passing attack functioned surprisingly well, and in fact counted for two of the four touchdowns that were scored.

The lighter White griders got away to a flying start and scored twice in the first of their 10-minute periods. After that the Blues tightened up, and in the middle of the second period James Packard of the Blue team caught a short pass near the line of scrimmage and ran most of the field for a touchdown. Otis Thompson kicked the point after and after a steady drive the length of the gridiron, Hatch of the Blues scored a second touchdown on a line plunge.

While Coach Cox was quite well satisfied with Saturday's scrimmage, the squad showed many rough spots. The tackling and blocking were satisfactory, in individual cases, but the teams seemed confused when applying these fundamentals in complex plays. Consider that many regulars were not in the lineup because of minor injuries, however, the squad showed up well compared to the prospects two weeks ago.

Big Beaver School Notes

Big Beaver won a speed ball game from Drayton Plains Friday by the one-sided score of 13 to 1. The attack was led chiefly by Frank Mapes, Ted Rustin, and Bill Orr. The only casualty occurred when Millard Maguire left the field with a sprained ankle at the end of the first quarter.

Stuart K. Baber, superintendent of Big Beaver School, attended the regular meeting of the Oakland Ten Grade League, held last week at Auburn Heights. Plans were made for a study of art in the elementary grades. The next meeting will be at Big Beaver, Oct. 10.

The Full-of-Pep Club is planning a school dance Friday, Oct. 19, for the benefit of the athletic fund.

STUDENT CHATTER

THE CHATTERBOX

Fans, officials and team members will be glad to hear that something is going to be done about the crowds youngsters that swarm over the gridiron at Pierce field and make such a nuisance of themselves during Baldwin High School football games.

Last Friday at the Hazel Park game the situation was at its worst. Two seasons ago a child was hurt and this seemed to keep the others off the field for a while. Last year the Varsity Club took over the problem and towards the end of the season the youngsters caused very little trouble.

Now the problem has been taken up by the Baldwin Student Council, who propose to have a method of curbing the nuisance worked out before the next game at Pierce Field. Members of the Congress have been promised the aid of the police department in this matter. But whether the police can handle the problem alone, he feels, as we do, that the children should be warned in both the home and the school of the dangers to which they are exposing themselves as well as the dissent they are causing among players and game patrons.

Last Friday it became necessary once to halt the game because the field was so crowded with children. A player had been slightly injured, and in a second game there was a crowd of children of grade school age huddled around him so thickly that officials had to shove their way to get near the boy.

It was only a miracle that none of the children were injured last Friday. Because it is dangerous, the parents of these children should take the responsibility of warning their youngsters to keep off the field. According to Ernest Engel, director of athletics, behind any child be hurt by a player or a ball at a game, the school would be responsible, and for this reason the school wants to help in controlling the situation.

But whether it be the parents, the school, the police or the Congress that works at curbing the nuisance, the one that gets the results will receive our praise.

Ergasterion Club Begins Rehearsals On Social Satire

"The Queen's Husband" will be the first production this season of the Ergasterion Club, Cranbrook School dramatic organization, it has been announced by Carl G. Wonnberger, faculty advisor, and Aldo Bird, president.

The play, a social satire by Robert Sherwood, will be presented in the Cranbrook auditorium Saturday, Nov. 24. It was given for the first time in New York in 1928, and since then has had wide popularity.

Although the cast has not yet been completed, several of the parts in the filled and regular rehearsals are under way. The role of Queen Martha has not been definitely filled, but that of Princess Anne will be taken by Wonnberger. Gotsinger, James Packard, an Ergasterion member who has been prominent in former plays, will be William Hutchinson will play King Eric, the eighth, the harassed monarch; and the role of Lord Rotten, the foreign secretary, will be taken by James Talman. Joe Smith has been chosen for Philip the butler, and William Martin for General Northrup, the premier.

The two most important parts those that are yet to be filled are those of Dr. Fellman, the liberal leader; and Laker, an anarchist. Among a large group of boys trying out for these and the other unfilled parts in the cast are Warner Forsyth, Jr., Hugh Hitchcock, Jr., and Charles Himesloch. Hubert Davis of the Cranbrook faculty will direct the technical staff.
