## HALLOCKS REVIVE OLD DANCE STEPS

Family Orchestra, Which Played 50 Years Ago Heard At Reunion

Dance tunes and steps of 50 years ago were revived by the same three-piece orchestra which played for parties of half a century ago, at the Hallock family reunion held at Springdale Park on Saturday. In the days of square dances, Charles and William Hallock, brothers, played first and second violin, and called the numbers above the din of "Turkey in the Straw", the scraping of feet, and the general hilarity that prevailed.

When 38 members of the Hallock family met for their annual reunion this year, the same brothers, accompanied by Mrs. William Hallock at the piano, played the same old airs and called the numbers as they had done before some of their guests were born.

In addition to the old fashioned dances, modern dance music was provided for the younger generation by Miss Ruth Gowling of Highland Park.

Prior to the dance, members of the family gathered at the park for dinner at 6 P. M., coming from Birmingham, Royal Oak, Pontiac, Oxford, Brighton, Detroit and Grand Rapids.

At the annual family election, Clarence Hallock of Ann street was selected president for the year, succeeding R. C. Hallock of Detroit. Frank Hallock of Pontiac is the new vice-president, and Miss Jean Hallock of Royal Oak is the secretary.

The family voted to hold next year's reunion also at Springdale Park.

Tell Your Merchant You Saw His Advertisement in THE ECCENTRIC

Let this TRIAL PLAN tell you ALL YOU WANT TO KNOW about ELECTRIC COOKING!

ARE there some things you wonder about when you read advertisements regarding electric cooking or other kinds of cooking in the newspapers? The subject of COOLNESS, for instance... whether or not an electric range really heats the kitchen in warm weather? Or the subject of CLEANLINESS... whether or not pots and pans really stay bright and shiny on an electric range? Or the subject of FLAVOR... whether or not foods do taste better and are more healthful, cooked electrically?

You can decide all these questions for yourself in your own kitchen, without making a penny's investment—and you need take no one's judgment but your own. We want you to discover the facts about electric cooking, and we offer you this easy way to do it:

We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During this trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Since this trial plan was begun a short time ago, nearly four thousand of our customers have taken advantage of this offer. Send us your application for a trial range today!

A study of one thousand families using an electric range showed a cooking cost of **1¢** less than a gas range.
