GRD SEASON OPENS FRIDAY

Baldwin Eleven To Entertain Hazel Park In First Tilt Of 1934

By DEAN BEIER

Baldwin High School's 1934 football season will open Friday afternoon at Pierce Field. The opening game, which is set to start at 4 o'clock, will be played against the Hazel Park High School eleven.

Although Coach Miles W. Robinson has been drilling the Maples for nearly three weeks, he will probably not be sure of which men will start the game until just before the kickoff. In any case, the coach will undoubtedly do a good deal of substituting and experimenting.

In practice, Robinson has used two sets of backs, one of which is characterized by its speed and the other by its hard-driving ability. Whether or not he will keep these groups intact he has not decided. Thus far, the driving backs have performed slightly better than the others. The first quartet is composed of Dick deBeaubien, one of the five letter men from last season, Bob Harrington, Jerry Hart and George Guckelberg, with Guckelberg in the quarterback position.

The other four backs, although smaller than the driving four, make up for their lack of size in speed and stamina. When this backfield goes on the field it is run by Junior Rocheleau at quarterback, Ralph Hoofnagle, Cliff McBride and Chuck James generally fill the other three positions.

On the line, Robinson will probably start Norman Clark and Chuck Forester at tackles, Bob Harris at center and Guy Howard at one end. All of these men won letters last season. Three men who might be used at the other end position are John Owens, who has been brought up to the line from the backfield, Phil Carey and Harold Minting. Bob Filkins seems well assured of one of the guard berths for the opener, but the other guard hole assignment remains in doubt.

In a practice game with St. Mary's High School of Royal Oak last Friday afternoon, the Maple squad revealed a number of weak-

nesses. Its tackling, however, was good, with the driving backs appearing to specially good advantage in this branch of the game.

Hazel Park is reported as having an exceptionally good team this year, and Friday's game will be no set-up for Baldwin. Last Saturday, the Parkers opened their season with a 13-0 win over Grosse Pointe, a school that has always had good football teams in the past. The Maples won both the '32 and '33 games from Hazel Park, the first by a score of 40 to 0, and last year by 15 to 6.

STUDENT CHATTER

By THE CHATTERBOX

There is a bit of irony in the fact that Robert Mix is no longer a student at Baldwin High School. Bob, who left this summer to spend a year in Europe, was the student chiefly responsible for organization of the Baldwin Student Congress, which will function this year for the first time. He was the one who originally thought out the plan and put it into effect. He was also chairman of the committee which promoted the idea, he was instrumental in drawing up the constitution. Last spring, when the students voted to accept the Congress as a student governing body, Bob was chosen to be its first president. In his absence, the office will be filled by John Parker, who was chosen vice-president at last spring's election.

If present plans are carried out, the bulletin boards and assembly programs at Baldwin High will be conducted just as they were last year. Each home room will have charge of the bulletin board for a week or two, and clubs and classes will have charge of the assemblies.

Last year, unfavorable weather conditions prevented the holding of the annual Field Day at Baldwin. School officials are planning for this year this season, however, and it will probably be held the first week in November.

Friday afternoon when the Baldwin High School band makes its first appearance of the season during the Hazel Park-Birmingham football game at Pierce Field, the organization will be opening its eighth year of existence. The band is under the faculty supervision of Arnold W. Berndt, and has as its drum major, Raynale Kline.

According to Principal Melvin C. Hart, the activity period, which is observed at Baldwin each day from 1:15 to 1:40 P. M., will be given over to about the same projects as it was last year, when the program included one day for study, one for club meetings, one for class meetings, one for assemblies and the fifth for various projects. This schedule will probably go into effect Monday.

Big Beaver School Notes

The classes of Big Beaver School have elected the following officers:

Tenth grade—Donald Lovell, president; Lucille Mapes, vice-president; Jessie Scherf, secretary-treasurer; Bill Orr, parliamentarian.

Ninth grade—Frank Mapes, president; Ruth Penney, vice-president; Bob Nancarrow, treasurer; Shirley Cory, parliamentarian.

Eighth grade—Peter Papadakis, president; Milton Clander, vice-president; Evelyn Spanke, secretary-treasurer; Lena Roncone, parliamentarian.

Seventh grade—Albert Wells, president; Irwin Blake, vice-president; Rosie Roncone, secretary.

The enrollment at the Big Beaver School has reached 275 students.

Billy Orr has been re-elected president of the Full-of-Pep Club, composed of students of the seventh, eighth, ninth and 10th grades. The club will have charge of assembly programs and decide upon the awarding of letters for participation in sports. The other officers are Billy Lovell, vice-president; Jessie Scherf, secretary; Jay Corey, treasurer, and Charles Pierson, cheerleader.

Big Beaver was defeated by Dublin School, 7 to 2, in the first football game of the season, played Friday at Dublin. The Big Beaver team was unable to protect a 2 to 0 lead it held at the end of the first half. Frank Mapes and Leonard Breitmeyer kicked the Big Beaver goals.

Sixth grade students have organized a Literature Club to obtain a better acquaintance with good stories, plays and poetry. Calvin Losey is president, and Dawn Sutherland, secretary. Miss Lottie Rice is the faculty advisor.

BIRMINGHAM YOUTH STUDYING AT CORNELL

Louis C. Ruthenburg, son of Mr. and Mrs. Louis Ruthenburg of 487 Arlington drive, has enrolled as a freshman at Cornell University, Ithaca, N. Y. Ruthenburg was graduated with honors last June from Cranbrook School.

SENIOR CLASSES ELECT OFFICERS

John Parker Heads 12A Group At Baldwin; 12B Picks Ralph DuBois

John Parker and Ralph DuBois, both of whom served as president of their class at Baldwin High School last year, have been elected president of the 12A and 12B classes, respectively, for 1934-35. Parker, who is the son of Mr. and Mrs. Guy E. Parker of Kenesaw drive, has been conspicuous as a class officer since his entrance at Baldwin in the 10th grade. He was chosen vice-president of the new Student Congress last spring, and since Robert Mix, who was chosen president, has left Baldwin, Parker will act as president of the group this fall.

DuBois, the 12B president, has been the leader of his class since he was in the ninth grade at Baldwin. He is the son of Mr. and Mrs. F. W. DuBois of Greenwood avenue.

Bob Harris and Roberta Chissus are the other students who will serve as 12A officers. Harris was chosen vice-president and Miss Chissus, secretary-treasurer. Miss Evangeline Pursell is the class advisor.

Bennett Root, vice-president; Mary Staley, secretary; and Dorothy Porritt, treasurer, are the other 12B officers. The advisors for this class are Miss Vida B. McGiffin and W. S. Toothaker.

Baldwin Reserves Open Here, Oct. 2

While the Baldwin High School varsity football team opens its season tomorrow, the second season's first game is set for Oct. 2. The reserves will also meet Hazel Park in their opener, the game to be played on the Pierce gridiron.

The second team schedule follows: Oct. 2, Hazel Park at Birmingham; Oct. 9, Ferndale at Birmingham; Oct. 15, Royal Oak at Birmingham; Oct. 22, Wayne at Birmingham; Oct. 29, Berkley at Berkley; Nov. 5, open; Nov. 12, East Detroit at Birmingham.

Cranbrook Grid Hopefuls Lack Size And Experience

By BILL HUTCHINSON

Prospects for a successful football team at Cranbrook School this year are somewhat below average, according to Coach Rod Cox, who is gradually getting his squad into shape after a week of practice.

About 35 men are now candidates for varsity positions, but many of them are inexperienced. The squad is much lighter, on the average, than last year's group, but Cox hopes to develop a fast team to make up for the deficiency in weight. In any event, he can expect a much more experienced team next year, since many underclassmen will of necessity see service this season.

The Cranbrook grid team is led this year by Victor Pattengill, captain and halfback. The backfield provides the least of Coach Cox's worries, as there are numerous candidates, both new and old, for all positions.

At fullback there is James Packard, an experienced man from last year's squad who should do very well this year, and Howard Prouty, a promising new gridder. The job of quarterback will probably be filled by either John Gilray or Waldo Bird, both of whom are somewhat experienced, and for the mate to Pattengill's halfback position there are many possible choices among them. Davenport, Paul Seiler, Edwin Mosher, and a new man, Herbert Hatch.

In the line, the tackle, guard, and center positions are giving the coaching staff the most concern at present, while the flank posts will probably be easy to fill. For ends, there are Otis Thompson, Seymour Foster, and Olds Anderson from last year's group, and Willard Parker from the 1933 junior varsity. One of the tackle places will probably be taken by Dorr Lovett, a numeral man who saw service last season.

Among the more promising candidates for the other tackle job are Don Leighton, James Van Horn, and Bill Hunt. While no experienced men are out for the guard positions, Marshall McQueen, formerly of Flint Central High, Harry Wise who was a member of the Birmingham High squad, and George Dean are showing up fairly well. At center, there are

Henry Smith, Jack Chiera, and George Hunt, none of whom have seen varsity competition before. It is probable that many of the freshmen will be shifted around in the next few weeks, in an attempt to find the best combination. The season opens Oct. 12 with Wayne University freshmen.

Are you enjoying

ALL THESE BENEFITS of a running water system?

Probably no other convenience is more appreciated on the farm or in the home than a liberal supply of running water. Do you know that you can have your own completely automatic water system at an operating cost of only ONE CENT for every 100 gallons of water? Here are a few of the advantages that a running water system brings you:

FOR THE HOUSEHOLD

Kitchen—Dishwashing, house-cleaning, cooking, etc.

Bathroom—Washing, shaving, bath, shower, lavatory, septic tank.

Laundry—Wash tubs, washing machine.

DAIRY

Increased Milk Production—Water for drinking cups.

Cleanliness—Cleaning dairy vessels, washing milking machines.

Cooling Milk

LIVESTOCK

Burn—Water for livestock, cleaning barn.

Poultry House—Increased egg production.

Hog Watering—Hogs fatten more quickly.

MISCELLANEOUS

Fire Protection—Water to extinguish small blazes.

Lawn Sprinkling—To keep grass green.

Garden Sprinkling—For early, bigger and better produce.

Irrigation—To safeguard crops against drought.

Cleaning Car

Washing Fruits and Vegetables

Spraying

You can operate a running water system for

1c per 100 gallons

For a very moderate sum you can buy a pump large enough for your present and future running water requirements. Then you can install outlets or faucets yourself, wherever needed, and later—as circumstances permit—add such fixtures as a porcelain kitchen sink, bath, shower, lavatory, etc.

Distributors of pumping equipment in this territory will gladly advise you as to the equipment best suited for your individual needs. Or call The Detroit Edison Company for a complete list of distributors. Attend to this matter TODAY.
