

Thank You

It is with a deep sense of gratitude that I extend my sincere thanks to all my supporters who elected me as one of the three Circuit Judges for Oakland County.

Signed—
H. RUSSEL HOLLAND

TRACK, GOLF TEAMS PREP

Season In Two Sports To Open Next Week At Baldwin High

Both the golf and track teams of Baldwin High School will open their seasons next week. Next Thursday, the golf squad will meet Ferndale on the Lancaster Hills links, and the track team will journey to Dearborn Friday afternoon to meet Dearborn and River Rouge in a triangular meet.

Although the tracks squad has been holding regular workouts for several weeks, the golfers have had very little chance to practice because the courses have been closed and the weather has interfered. Coach Miles W. Robinson expected to be able to choose a squad for the first match from the scores the candidates turned in at practice matches.

Coach Franklin Whitney expects to put his track squad through the ropes tomorrow afternoon at Pierce Field in an effort to select a team that will compete in the Dearborn-River Rouge meet.

Tennis, the third spring sport at Baldwin, is not scheduled to get under way until early in May. The schedules for both golf and tennis are still incomplete, but Coach Robinson has announced the following tentative contests in the two sports.

- Golf: April 11—Ferndale at Birmingham.
- April 15—Wayne at Wayne.
- May 2—Royal Oak at Birmingham.
- May 7—Wayne at Birmingham.
- May 9—Ferndale at Ferndale.
- May 16—Royal Oak at Royal Oak.
- May 25—Regional meet.
- May 31—State meet.
- Tennis: May 7—Cranbrook at Cranbrook.
- May 8—Wayne at Wayne.
- May 16—Royal Oak at Royal Oak.
- May 21—Cranbrook at Cranbrook.
- May 25—Regional meet.
- May 31—State meet.

Art Exhibit Tonight At Barnum School

Reproductions To Be Shown. Quarten Plans Similar Event Next Wednesday

In an effort to raise money to purchase pictures for their schools, Barnum and Quarten schools will hold art exhibits in their respective buildings. The Barnum exhibit will be held tonight from 7 to 9 o'clock, and the Quarten exhibit will be held next Wednesday from 7 to 9 P. M.

Both exhibits will include reproductions of 150 famous masterpieces, as well as displays by local artists and exhibits of the art work of the students.

Adams School held a similar exhibit last Thursday evening and earned over \$50, all of which will be used for the purchase of pictures. F. Morse Cooke, principal of Adams, stated that he expected the money would purchase about three pictures and that one of these would be hung in the 5A room of Miss Alice McVane, whose class sold the largest number of tickets for the exhibit.

The Barnum exhibit will include about the same features as the one held at Adams. Paul Honore, well known local artist, will give a short lecture, the Women's Exchange will have an exhibit, and the work of Marjorie Phillips, Dorothy Beals and Mrs. Leo Gibbons, all local artists, will be represented.

Local artists who will exhibit their work at Quarten include M. Honore, James Garfield, Mrs. Harold Dick, Miss Phillips and others.

The public is invited to attend both exhibits.

JUNIOR HIGH SCHOOL NOTES

Members of the Boys' physical education classes of Adams Junior High School will participate in an assembly program for junior high students this afternoon in the Adams Auditorium. The boys will demonstrate the work they do in their gym classes. Ernest Knapp, instructor in physical education, is in charge of the program.

Boys in all three junior high schools are engaged in elimination boxing and wrestling tournaments. The winners from each school will meet later to determine the inter-school championships.

Miss Gladys Rogers, instructor in English and Latin at Adams Junior High School, represented the Birmingham Teachers' Club at the Michigan Educational Association Assembly last Thursday and Friday at Grand Rapids.

The Baldwin High School band, under the direction of Arnold W. Berndt, played for a junior high assembly at Barnum School Wednesday afternoon.

Milton Coulson, an 8A student at Adams School, has been chosen as the recipient of the kit containing materials for the building of a model car with which to enter the Fisher Body Model Building Contest. Marilyn Smiley, instructor in manual arts, and F. Morse Cooke, principal, decided the kit should go to Milton.

Seven Spelling Champions Crowned In Local Schools

Seven local students were crowned the spelling champions of their schools Friday afternoon in the second round of the Detroit Metropolitan Spelling Bee. The seven winners, along with the winners from several other schools in this district, will meet at Baldwin High School on the afternoon of April 15 to decide the champion of this district.

A list of the winners, together with the words they spelled correctly to win, and the names of the runners-up, follow:

Baldwin Junior High—Martha Melinger, 8A, embarrass; runner-up, Carol Clark, 7B.

Quarten Grade School—Phyllis

Sunday Afternoon Concerts Planned

Baldwin High School Band, Orchestra To Give First Program In Series April 14

Arnold W. Berndt, instructor in instrumental music in the Birmingham public schools, announced early this week that the first of a series of Sunday afternoon concerts to be given by the Baldwin High School band and orchestra will be presented in the Baldwin Auditorium April 14.

These concerts will be open to the public with no admission charge. A similar series last year proved highly successful, and Mr. Berndt also announced that

members of the Baldwin High School band and orchestra would take part in the Fair and Square Club radio program, which is broadcast over radio station WJZ, this Saturday noon. Mr. Berndt was unable to name the students who would participate, because they will not be selected until today when a member of the student staff will make the choices.

Well Nicknamed

The teacher was curious to know why the boys called one of their names "Weather-strip," so he asked him how he got his nickname.

"Cause I kept my father out of the draft," the youngster replied. "I was born during the war."

BALDWIN ADOPTS NEW MARKS CODE

Markings In Citizenship To Be Issued On Separate Report Cards

Baldwin Senior High School students voted to accept for trial the new citizenship code, which was drawn up by the Baldwin Student Congress, in a school election last week. As students were not marked in citizenship for the six week marking period ending Mar. 8, and the new code calls for only two markings a semester, it is expected the first marks under the code will be given out either late this week or early next week. Although only students in the senior high school voted on the question, the code will be used in Baldwin Junior High as well.

Under the former method, the citizenship marks appeared on the same card as scholastic marks and the method of marking was explained on the back of the report card. The new system calls for the citizenship mark to appear on a separate card. Students will be marked "good," "average" or "poor" for improvement in several different desirable characteristics.

The new code was submitted to the Baldwin teachers Monday afternoon, and according to Principal Melvin C. Hart, the instructor in civics, it is a considerable improvement over the old system of marking.

Should the new system work out successfully at Baldwin, it is quite

'Yellow Jacket' To Be Produced At Kingswood

Friday and Saturday nights, April 27, have been definitely selected as the dates for the performances of "The Yellow Jacket," to be given in the auditorium of Kingswood School by the Cranbrook Ergerston Club and the Kingswood dramatic group.

The cast for the production will be composed of students from both Cranbrook and Kingswood. It will be the first joint dramatic production of the two schools. Directors will be Carl G. Winkler, Ergerston Club advisor, and Miss Helen Hosp, Kingswood music and dramatics instructor.

"The Yellow Jacket" is a Chinese fantasy, written by George Hazleton and Harry Bernimo. It employs Chinese stage conventions, and the sets and properties are of the utmost simplicity.

Charles H. Coburn, internationally known theatrical figure whose company introduced "The Yellow Jacket" in 1912, and who created the role of the Property Man, has expressed a keen interest in the Cranbrook-Kingswood performance, as has his wife, also a well-known figure in the theater world. "I am sure that you will enjoy 'The Yellow Jacket,'" Mr. Coburn wrote the directors. "We never tire of it as its beauty and charm, pressed with its beauty and charm, is an excellent training for actors

Big Beaver School Notes

Dawn Sutherland, sixth grade student, won the Big Beaver school spelling championship Friday by spelling correctly the word "volunteer." Arlene Parkhurst, eighth grade student, was the runner-up.

Baseball practice began in earnest last Friday when Frank Mape's team defeated Leonard Breitweyer's team in a practice game, 8 to 0.

Members of the Stitch and Chat Club were entertained last Thursday night at the home of Ellen and Ruth Kennedy. Third grade students gave a surprise party Friday for their teacher, Miss Helen Snover. Miss Ethel Snover helped the students with their plans.

Fruit Vendor (yelling in front of his stand): "Twenty cents a box." Bystander (sounded): "Twenty cents he don't!"

ANOTHER STEP AHEAD—THIS TIME IN BEAUTY!

Everybody's talking about its **NEW BEAUTY**

It's SPRING

Spring means tricky weather—rain, dampness, wet feet, "a code in by bed" for days and nights. That's the time instant hot water is so important. Whether for this or countless household needs, the best way to have constant hot water is with our money saving, fuel saving, work saving Special Heaters—that does so much for only a few cents a day.

See the **1935 AIR-COOLED ELECTROLUX** THE SERVEL Gas REFRIGERATOR

It's the only refrigerator that can give you all these advantages:

- Low operating cost
- Permanent silence
- No moving parts to wear
- Long life
- Savings that pay for it

WOMEN can't say enough for the sparkling beauty—the distinctive style—of the new 1935 Air-Cooled Electrolux. They recognize it for what it is . . . a refrigerator designed for women by women. Little wonder it is being acclaimed everywhere as "the best-looking refrigerator of them all!"

We believe you'll want to see the new Electrolux, too! And you'll want to learn the other big reasons why more than half a million families have already chosen Electrolux . . . why more families than ever are choosing this modern gas refrigerator!

Electrolux's simpler, more efficient principle of refrigeration makes possible the important unmatched advantages listed at left. Electrolux has not a single moving part. A tiny gas flame circulates the refrigerant. Ordinary air cools it! That's all!

Come in today and inspect Electrolux! Get the whole story on this remarkable refrigerator! Discover for yourself why everybody's talking about the beauty of the new 1935 models!
