Senator Moore's Tax Plan Is
Unfair To Those Who Have Paid
Of all-the schemes and plans advanced from Landing
for the elimination of tax delinquency, we feel that
the recent one offered by State Senator Andrew L.
Moore is most inequitable to those who have thus far
paid their real estate levies for the support of government. Senator Moore's plan is devised almost completely in the interest of the delinquent tax payer in
that it is a blanker cancellation program for wiping
out all delinquent taxpaid their real 1931 taxes by the same day in 1936, and
the 1936 taxes by Sept. 1, 1937.
If Senator Moore wars to on conourage those who have
paid their taxes to date to become delinquent indefinitiely, our observation and contacts with many people
prove that his plan will do the trick. For, you will
delinquent tax-payers to spread their 1932 and proar
