was, not a single hitter was required to do a fly to the outfield, all 27 outs being registered on infield rollers or pop flies.

The Merchants, on the other hand, pelted the ball all over the lot, knocking out 17 hits, five of them for extra bases. Kelly slammed out two triples, and Diemer, Canever and McClellan each got three hits apiece.

A base on balls, two infield outs, and hits by Kelly and McClellan staked the Merchants to a three-run lead in the first inning. They got another in the sixth on a single by Forester, an infield out and a single by Diemer. Canever scored in the seventh when he doubled and was knocked in by McClellan.

Two more runs moved across the plate in the eighth, ending the day's scoring. Forester opened the inning by grounding out, but Runkle and Diemer both got singles, and scored on a double by Jewell. Canever fled to the third baseman, but Kelly tripped, scoring Jewell. Kelly also could be found by flying to center field.

Baldwin Rubber got their only run in the fourth on a single, two stolen bases and a hit batsman. Kelly got himself into difficulties on several other occasions, but always managed to come out undamaged.
