TAX CAMPAIGN

Reports Show Thousands Of Delinquents Are Paying In State

Michigan's thousands of tax de-nquents are responding to the tate's August drive to stimulate ayments in proportions approach-ng a tidal wave, according to Au-tior General John J. O'Hara, who a directing the campaign from

DRY CLEANED & HAND FINISHED If you want your White Suit cleaned right send it to

HUDSON

CLEANERS, INC.

ers, O'Hara requested property holders to pay as soon as possible to avoid the rush that will come as the Sept. I deadline aproaches.

"Many of these treasurers have put on extra help but still cannot keep up with the collections," he said. "Those who intend to pay their back taxes will be doing these men a real favor by paying at once."

WE HEARD IT SAID BY-Bob Emmett, police patrol-man: "The traffic on Wood-ward avenue through Bir-mingham Sunday night was the heaviest it has ever been in my experience."

more prompt repair service; and a greater proportion of out-of-town messages completed while the subphone occupies in modern life did not result from accident. It was won — and is held — by supplying the public with a service of genuine and scriber holds the line. These records, though undramatic teadily increasing value.

To better that value is the abiding in themselves, are important as milestones of progress toward complete principle of the Michigan Bell Tele-phone Company's policy. Even during the recent years of sharply resatisfaction for the users of this vital public service. The improvements they signify were not won by chance duced revenues, years in which all they did not "just happen." They were achieved by this com-

ever before. This statement is not

made lightly. The improvement is

revealed by carefully compiled rec-

ords of daily performance. They show

a greater speed and accuracy in handling local calls; a continued de-crease in "out-of-order" reports;

values were subjected to bitter tests. this company did not relax in its obligation to achieve further impany's rigid adherence to a policy having as its basic ideal the best Provements in its service.

As a direct result of this policy, the people of Michigan are receiving a higher grade telephone service than possible service for the least possible cost that will maintain the present standards and assure the improvements of the future.

THE history of American industry

affords no example of lasting success

that came by chance. Instead, it

shows that enduring institutions are

products of an honest policy applied intelligently and faithfully over a period of years.

The vital place which the tele-
