I tell what she ate on Friday. I tell what she washed on Monday. I tell what she washed on Monday. I tell what she washed on the inconsequential. I am the spite of the inconsequence of the imperiance of the inconsequence as a nimpertant than a law suit. And that a Sunday dinner is more consequence as an institution than a general inselt the press of servile lands which recorts only the decings of the nobility for the edification of flushies.
