### The May Day Mystery By Octavus Roy Cohen

ne of the best of he stories by this famous author

turder is done on the uset campus of a large outhern University. round three persons—two undents, one the most poplar girl in the college, and professor — is woven a web of circumstantial evi-dence and incriminating

second crime—apparent-unconnected with the urder—is committed and p solve this is called etective Jim Hanvey, a gure well known to Mr. oben's readers and who one makes his first ap-razance in a story of erial ngth. As the clues be-me more numerous and tertail more involved, the guthing methods of De-cive Hanvey are fol-wed with increasing zest
