

SCOUTS MARK ANNIVERSARY

Troops To Attend Church Service In Commemoration Of Founding

Birmingham Boy Scouts will join other troops throughout the nation in celebrating the 25th anniversary of the founding of the Boy Scouts of America. The celebration will continue from Feb. 8 to 14; which has been officially designated as Boy Scout Week.

One of the principal events on the local program will occur Sunday evening, when all Birmingham Scouts, with their adult leaders and parents, will attend a special service in the First Methodist Church at 7:30 o'clock.

The speaker will be Wilbur C. Woodson, secretary of the St. An-Souls a year ago. Ten years ago today the branch of the Detroit Y. M. there was but one troop.

C. A., who will talk on "Measuring Our Best." The service will be in charge of the Rev. Dr. R. D. Hopkins, pastor of the church.

Broadcasting directly from the White House, President Roosevelt will personally open the silver anniversary celebration Friday evening. Local troops will unite with other troops all over the world in listening to this program, which will be on the air from 8:45 to 9 P. M., over both the National and Columbia chains.

Monday, Feb. 11, has been designated as "Uniform Day," and all Scouts have been requested by National Headquarters to wear their uniforms the entire day. In Birmingham, an exhibition of scouting and scoutcraft, showing interesting examples of the boys work in their various scouting activities, is being planned, and will be displayed in one of the downtown city windows.

At present, there are six troops here with a combined registration of 143 Scouts, as compared with 113 Woodson, secretary of the St. An-Souls a year ago. Ten years ago today the branch of the Detroit Y. M. there was but one troop.

FLEMING TO HEAD D'MOLAY ALUMNI

Majority Members Of Hasbarger And Other Chapters Organize New Group

Richard Fleming, of West Maple and Hupp Cross roads, was chosen president of the new Birmingham D'Molay Alumni Chapter at a meeting in the Masonic temple Tuesday evening. The club is being organized by former members of the Hasbarger and other active chapters of the order who are now 21 years old or over.

Dr. Ralph Wilson was chosen first vice-president; Henry Way, second vice-president; Frank Higginbotham, treasurer; Roger Toothacker, chaplain; and Lloyd Dennis, sergeant-at-arms. Fleming, Dr. Wilson and Way are all former members of the Hasbarger Chapter, and Higginbotham is a member of the Order.

Fleming will appoint committees to draft the constitution and by-laws, and the group will probably meet twice monthly when the organization is completed. Already 28 former active members have indicated their intention of joining the group.

At a meeting of the Hasbarger Chapter, also held Tuesday evening, plans were announced for three important future events. The first will be an initiation degree rehearsal to be held Feb. 12; the second will be the initiation of new members on Feb. 19, and the third will be a banquet for members and prospective members and their fathers on Feb. 26.

City Returns Profit At Springdale Park

Income Exceeded Expense By \$754 In First Year Of Operation, Statement Shows

The city made a net profit of \$754 for the first year of its operation of Springdale Park, according to a statement presented by the treasurer before the city commission Monday night. Before last spring, the park was owned and operated by Birmingham Township.

Total income for the period from May 5 to Nov. 30, 1934, according to the report, was \$5,800.23, as compared with expenses of \$5,046.70. The income included \$802.70 profit on sales of merchandise, \$4,044.11 in ticket fees, and \$150.00 in rentals.

Expenses items included \$100.00 for equipment, \$3,723.02 for salaries and labor, and \$1,308.28 for supplies, heat, light, insurance and miscellaneous expenditures.

Building trades led in the number of accidents in the city last year.

Officers of Community House Give '34 Report

(Continued from Page 1, Part 2) At the time of the Village March this fall, two more luncheons were staged there, and a bit earlier in the fall, the Community House room for a bridge tea—also as a money-making project.

"Up to the present time, all of the Girl Scout Courts of Award have been held in our room, but this coming March we plan to hold a dinner for the girls and their families in one of the upper rooms of the Community House, and journeying later to the auditorium for a program and the award of badges.

"So far this year, our only direct financial aid to the Community House has been in taking over entirely the care and cleaning of our room, but we feel keenly our monthly benefit bridge parties, to stage our own, and to help on the important part of our existence, to the headquarters for activities of a couple of hundred girls as well as for the many adult sponsors."

"At present, we are busy securing a camp on land generously loaned us by the Community House, and we realize that our project will double the need for our enrollment of Girl Scouts, which will mean extra bus-ines in our House."

There will be more girls to care for, more desires to be met and more funds needed. We truly appreciate the comfort and convenience afforded us under the auspices of this focal point of village activities."

Saturday Night Dances

A total of 528 young people are registered at the Saturday night dance, according to Mrs. O. W. Howard, chairman. The attendance at individual dances has varied during the past year from 36 to 140.

The champions, never less than two of whom are present at each dance, are Mrs. Harvey Whalen, Mrs. J. L. White, Mrs. L. M. Baker, Mrs. E. W. Chas. and Mrs. Warner L. Forsyth, Mrs. Louise Hatch and Mrs. Howard.

"It is a source of great pleasure, profit, and gratification to be with these young people on Saturday night, and to know the young generation," Mrs. Howard said. "I earnestly believe that a finer, better, more intelligent, or more capable group of young people could not be found anywhere, and I want to thank the Community House board for being allowed to serve in this capacity."

Revenues to the House from the dances the past year totaled \$74.02, Mrs. Howard reported.

Girl Reserves

A report of the activities of the Girl Reserves, and of the extensive work they make of the Community House, was given by Mrs. M. C. Campbell, chairman of the local committee.

"All of the girls and members of the Girl Reserve committee feel deeply grateful for the splendid cooperation of the Community House," Mrs. Campbell said.

BANDIT ARRESTED HERE ON PROBATION

Floyd Justice, 26 years old, of 764 Warren street, Flint, who was arrested in Birmingham Jan. 15, was placed on probation for three years Monday afternoon by Judge Glenn C. Gillespie, after pleading guilty to a charge of robbery unarmed.

He was ordered to pay back the \$6 he stole from Reuben Sonnenberg of Detroit, and to make good damage done to an automobile he borrowed in Flint. Justice admitted he had stolen money after convincing him a ride from Flint to a gas station at Nardin road and Dixie highway.

A MOST ABLE MAN FOR CIRCUIT JUDGE

For the first time in his long, long career of public and business service in Oakland County, Henry M. Zimmerman has become a candidate for public office.

M. Zimmerman is a native of Michigan, born in St. Clair County, and for 35 years has been a resident of Oakland County. He attended the University of Michigan, and also received his Master of Law degree at Yale University.

He has been a member of the Oakland County Bar Association since 1898, and three times served Pontiac as city attorney. For four years he was a Commissioner of the Michigan State Banking Department, and later was president of the First National Bank and Trust Co. of Pontiac, until it was succeeded by the present First National Bank.

Three years ago he resumed his law practice as Associate with George A. Gram.

He is a member of the Rotary Club of Pontiac, the Presbyterian Church, Masons, and Knights of Pythias.

Mr. Zimmerman offers himself for the primary election, March 4, on the Republican ticket, for OAKLAND COUNTY CIRCUIT JUDGE.

AVIATION GROUND SCHOOL TO OPEN

First Class in New FERA Adult Education Course To Be Held Tonight

The first meeting of a class in aviation ground school training, which has been added to the curriculum of the FERA adult education program, will be held at 8 o'clock tonight in Baldwin High School, it was announced yesterday by Robert D. Lynd, administrative supervisor. An application for funds to finance the school was approved in Lansing last week.

The instructor will be Clyde H. Wood, Jr., of Greenwood avenue, who holds a transport pilot's license and received his aviation training in the U. S. Air Corps. The class will be open to all persons, both men and women, 16 years of age or over who are not enrolled in a public school or college. No entrance fee or tuition fee, and no examination of students will be required to buy their own textbooks.

The course will be such, Mr. Lynd said, that anyone completing it will be prepared to pass the written examination required for any type of pilot's license except transport license. The examination for a transport license contains questions on meteorology and navigation which are not included in this course, he explained.

The class will be given instruction in airplane nomenclature and construction, theory of flight, aerodynamics, stability, aircraft engines, U. S. Department of Commerce regulations, air traffic rules and other topics.

the New Pontiac STANDARD SIX

An Additional line of cars whose quality and beauty make the price phenomenal

Today Pontiac presents the Standard Six line—once lower in price and offering many of the features that the 1935 De Luxe Six and Improved Eight introduced with such sensational success. All models have the speedline styling that gained Pontiac the name of the most beautiful thing on wheels. The bodies are solid steel "Turret-Top" Bodies by Fisher. The brakes are big hydraulics, triple-sealed against dirt and moisture. The new ride resulting from stabilized, synchronized springing is every bit as comfortable as you could ask for. The engine, with its silver-alloy bearings, provides dependable performance so smooth and lively that you will doubt it is a six. And, best of all, its economy will literally amaze anyone who has had experience with other low-priced cars! A look, a ride and you'll decide you simply can't do better.
