likelihoods for more and more of the individuals are to be added as fast as possible.

635 Oak street "heard a birdie sing
tweet, tweet," and looking out the
window, affright she saw a robin
heralding his presence despite the
season: "Tis one for the records!"

the government will not be so
that it will keep them from

he did not believe it could be accomplished on a temporary basis. "You might just as well make your minds that this is going to be a continuous thing," he said.

man of the meeting, and who attended the Commission.
