HASS LION

The Last Laugh

BIRMINGHAM

TODAY, FRI. & SAT. "GEO. WHITE'S, of 3:30-7 & 10:15

Although the State Highway lepartment remains unmoved in a attitude that completion of the foodward avenue cut-off through irmingham is impossible under straingnam is impossible under xisting conditions, there is a pos-sibility that it will include the re-aving and widening of West Maple wenue in its list of proposed proj-lets to be financed with federal inghway funds, it was learned this

er has been worken fell with the first his of the City Commission, Mr. Jorson said.

If the project is undertaken, it is reported by the first his of the project of the highway from South-the Creekers and traightening of the highway hough Balldwin avenue bridge, and traightening of the highway though Balldwin Park. The deeding of a portion of city-owned propry in the park would be required. Letter Confirms Hearing The following letter was written.

and delects

BEFORE you buy tires, we want you to come in and hear how Inspector Faurot, famous man-hunter, "got the goods" on Goodyear's greatest tire—the "G-3" All-Weather—by tracking its users across America.

We want you to see evidence we've gathered also from "G-3" users around here—proof that this extraordinary tire actually stands up even better than we claim.

And when you realize this proved "G-3" costs YOU no extra price, we know you'll want its enduring protection on your wheels. Well, we're here to make it easy for you!
