

BALDWIN WINS TRACK CROWN

Barnum Team Dethroned In Annual Junior High School Meet

After holding the title for four years, Barnum Junior High School was finally dethroned as the junior high track champion by the ancient ally, Baldwin. The annual meet, which was held at the high school track, was won by Baldwin in a close race with Barnum. Baldwin collected a total of 131 points, beating out Adams, which placed second with 109 1/2, and the former title holders, who finished far down the line with 89 1/2 points.

The meet, in which more than 200 junior high students participated, included events for both girls and boys. The boys were divided into two groups, those weighing over 110 pounds and those under that weight, while the girls competed according to grade, those in the 7th and 8th grades in one division and those in the 8A and 9th grades in the other.

The meet saw the setting of three new marks in the boys' division. Brelford of Baldwin set a new time in the Class A 100-yard hurdle race, being clocked in 12 seconds, and in the Class B broad jump Brelford of Adams leaped a new record of 17 feet 2 inches. The Class A Baldwin 200-yard relay team also set a new mark in this event with a time of 28.8 seconds.

The Baldwin boys team scored nine first places in the boys' events, finished second in two and third in eight. Adams scored six firsts, eight seconds and four thirds, while Barnum finished the field in three events, one second in seven and third in five.

Members of the Baldwin Senior High Girls' Athletic Association and Varsity Club served as meet officials.

WE HEARD IT SAID BY—
W. E. Heller, vice-president and general manager, Chevrolet Motor Company: "The reputation of the Chevrolet public is a good one for business. It is one of the most reliable 'salesmen' regarding the status of the public purse. When every other car encountered on the highways is regarded with suspicion, the Chevrolet is the only one that is not. It is down with fear of contradiction that the Chevrolet is decidedly looking up."
