Deposit Insurance and Individual/Management . . .

The banking/system of this country is of such wide-spread mfluence and importance that thoughtful bankers are in accord with wise legislation which aims at greater stability and the fullest protection to depositors.

The insurance of bank deposits in accordance with the bank ing act of 1933, was a necessity step toward the goals mentioned

Banking laies, boucuer, can only supplement and cannot take the place of or supercede prudence, conservation, and ability on the part of the individual institu-tion. The safety and usefulness of our banking system Have their foundation in good management.

The Birmingham National Bank

"Birmingham's Community Bank"

MVMBER TEDERAL RESERVE SYSTEM

deposits of each depositor in this bank are insured up to the sum of Five Thousand Dollars (\$5000) in acceptance with the Banking Act of 1933, as amended June 16, 1934
