__By THE WANDERER___

First suggested by Mrs. James lings of a huge airplane kite as it W. Taylor of Berwyn road, a ducks, dodges and safls over their movement is on foot among the place of business. The kite was children to aid school teachers in, built Phassell Pariscau, service disposing of their scrip. The plan manager. It is about 5½ feet long is that mothers will agree to take and has a wingspread of 5 feet, s small amount of the teachers. Pariscau, who says the kite always scrip every say day, giving the flies straight over the head of the scrip bereath of the straight over the head of the scrip bereath of the scrip by give it a good paint job, and then paying it out for grocery bills, offer Charlle Winningham a ride rent, light, gas and similar items, bill up. Mrs. Taylor explained. "Teachers with whom I have talked agree that it would be a great help to them if a part of the scrip they increase the scrip they contained the scrip hey completely always and the probably list can't them if a part of the scrip they who probably list can't them if a part of the scrip they who probably list have any decirical trailed with several mothers who calling attention to the fact that
