## Steel All Around You... Sides, Floor and the First Steel Roof!

In 1935 there is one subject, at least, on which every automobile engineer agrees—steel bodies, for greatest skrength, greatest ruggedness, greatest safety! Steel—more steel!

est safety! Steel-more steel!
But when you look at 1935 cars you find only one manufacturer who gives you bodies all of steel. Hudson, in the new Hudsons and Terraplanes! You want complete protection in your car. You get it in the 1935 Hudsons and Terraplanes. No compromise here! Front and back of steel. Floor of steel. Sides of steel. Side doors, steel pillars, steel bulkhead in front and the first steel, roof-sound-deadened, solid, permanent. Not a single bit of wood in any structural part.

Easier, safer driving—faster, smoother shifting, with both hands always on the wheel. An exclusive feature, standard on Hudson Custom Eights; optional (for small amount extra) on all other 1935 Hudsons and
