# New Luxor Rugs

Specially Low Priced for May Festival

\$5 Down on easy Terms

Beautiful new rugs that possess the richness and splendor of priceless hand made Orientals. So exquisite are the soft color tones and so beau-tifully blended one could easily imagine them as originals of ancient ug weavers art instead of clever adaptations:

Note the lister and sheen permanently woven in-the lovely colors susceptible to ever changing lights and shadows.

You'll love these new Luxors— their beauty and depth—and un-surpassed quality. Woven seam-less, deeply fringed.
