ELECTRIC COOKING for yourself

OUphave heard your friends who cook with an electric range say: (1) Vol phave heard your friends who cook with the Collection (2) Electric cooking is COOL—it does not heat up the kitchen (2) Electric cooking is CLEAN-with only pure heat from a glowing wire, (3) Electric cooking SEALS-IN natural flavors in foods-meats and vegetables cook to melting tenderness in their own juices. (4) Deetric cooking is HEALTHFUL-precious minerals and important food values are retained, instead of being lost in steam or poured down the sink with excess water. We want you to discover these facts for yourself. We want you to prove for yourself that you can enjoy these advantages of electric cooking at a cost well within your household budget. This is our trial offer:

We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not like it. During this trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range, If you decide

to keep the range, your monthly payments will be applied toward the purchase price. If you decid a that you do not want it, the If you decid at hat you do not want it; the range will be removed at our expense. Since this trial plan was begun a short time ago, over 4000 of our customers have taken advantage of the offer. Send in your application for a trial range today!
