

The growth of GOOD IDEAS that lie stored up within us may be compared to the growth of an abundant Nature every spring, when, under the influence of sunlight and warmth and showers and good soil, life comes forth everywhere. Each of us needs to show kindness, love, devotion, to grow abundantly.

in Merchandise At Bargain Prices

Buy For the Present and the Future

The merchants listed on this page are cooperating in this big selling event. They are making every effort to give the people of this community bargains which will compare most favorably with those being offered by out-of-town merchants. Prices have been slashed on their regular stocks—and special concessions have been made by manufacturers so that this will be the high-light selling event of the year. Shop—Look—and compare the quality and prices . . . and you will find this bargain festival to be a money-saving event.
