"SKIP-DAY" PLANS
LAID BY SENIORS
On Tuesday of next week, the
members of the Baldwin High,
School senior class will celebrate
their annual "skip day" and
journey to
previous classes to "skip"
making. It has been the custom
of previous classes to "skip"
only a half day, but this year'
class has decided to take the
whole day off and make the affair real
fair the senior class are the class
assembly, to be held Friddy affor the senior class are the class
assembly, to be held Friddy afferroon, when the class ropeleand will will be read before the
student body. Baccalaurent.

## The World at Your Elbow

FROM any telephone of this company you can talk not only to locali-ties throughout Michigan, but also to distant cities, ships at sea, many foreign lands—to thirty million tele-phones distributed all over the phones distributed all over the world. You can do this because the Michigan Bell Telephone Company is a component part of the Bell

is a component part of the Bell System. In addition to urder service, that relationship enables us to give you better service; for it places at our lisposal thousands of valuable pat-que, and the most efficient methods of operation; if secures for us the benefits of constant research by hun-derly of security, in the tamous Bell when the second part of the part of the part of the whole of security, in the tamous Bell dreds of scientists in the famous Bell drives of scientists in the famous Bell Laboratories, specialists whose only mission year in and year out is to develop means of improving the ser-vices—to find "a better thing of a better way." It assures us assistance phone equipment, produced

by the Western Electric Company manufacturing division of the Bell System. It permits us, in short, to share in every progressive step in the evolution of the telephone.

the evolution of the telephone,
And it enables us to render
cheaper service; for all these assets
—the fruits of a long-sustained
policy of good management — come
to us under our contract with American Telephone and Teleparah Conpany at a cost much lower than
would be possible without our association in the Bell System.

America today holds undianated

America today holds undisputed world supremacy in telephonic com-munication. That leadership grew out of the facilities and the forward-

looking policies of the Bell System.
And it is because the Michigan
Bell Telephone Company is a part of that system that we are now sup-plying the people of this State with

a service never surpassed in quality, and reaching to most civilized areas of the globe.
